Queen of Queens Mary is on that team

## Create A Board

I own the biggest Advertisement and Marketing Firms in the world. From billboards on buses, trains and buildings to Times Square

#1) They will set aside budgets to pay for my Commercial television.

#2) Ad Funding comes from set budgets of all Corporate entities profit and non-profit

#3) Ad Funding → Commercial budget →

Royalty Allocation → Royalty Payment System.

## You-Tube Television

A subsidiary of Rhythm Nation Distribution

THIS Goes to Google. Once we assign MSN and Google at about 75% They can barter or trade/share 25%. BET THIS For Youtube that to share hit show, but keep redundancy lowered.

Think about setting up about 20 Youtube Selections. 15 Genres in music video entertainment. 5 television stations based on Movie Genres.

Ex: Videos - R&B, Hip Hop and Rap, Classic Soul in V.V.T. (w/ DAW instrumentation)

Smiley Robinson 2017 - "Tears of a Clown"  
never burns.

Ex: Movies: Crime Dramas - Comedy - Romance  
Now when you go to Youtube, you select 1 of 20 stations and Commercials pay for Royalties, instead of freebies burning up internet bandwidth.

I Forget the names but to find my holdings all you have to do is Wiki all new startups and recent acquisitions. I AM the new money and new ideas.
