Rhythmic Nation Distributions, the Future of Entertainment Products are supported by electronics inventories in-store. I took back K-Mart, Circle K and Sears for no good Matthew.

① Circle K: (Circle P.C.) Probably has almost expired Gas tanks, Convert to an electronics Parts store, like the Auto Shops. Parts! Repairs using on-site checks and trade in parts for repairs and replacement upgrades. Place in full effect in about 2 or 3 years as we start selling modulated P.C.s

② K-Mart: Will not compete with Walmart or (J. MARY) Walmart sell low price U.S.A. basic clothing

K-Mart carries Macy's clothing line
K-Mart sell low price high end vintage used nice shit. THE Walmart Superstore the K-Mart Specialty line to include a full line Head shop - pipes - paper - to support marijuana market Make them be separate and distinct

③ Sears & Roebuck: (Jones stores) Appliances, Quality tools - tires - A step up on WAL-MART clothes and also the Macy's line, but no vintage - Quality hatches - THE Best in town.

④ Save-A-Lot: Meats God Approved and not U.S.A. means best quality at lower prices. And let kids has for tips plus say \$5 per hour or more on the weekends and keep this orderly. I use to make my crew on average of \$50 - \$75 each every Saturday delivery Full at METS Supermarket in Queensbridge. I was about 11 or 12 years old

⑤ Cell Phone Companies and Services: I need way more options than Cingular, Boost mobile and Metro PCS.
