Microsoft runs Number Pooling Selections

Processes:

777 or 7,777 is an Automatic Win and requires a Coupon Code

666 or 6,666 is an Automatic loss equals a deduction code

All numbers are played on an ATM card and all winning are placed into account via direct deposit.

Casino Gaming (NO Gaming license required)

All monies deposited into Casino Funds cannot be taken back out. All money is used

For entertainment venues to include Food, travel, Shows, hotels, Family entertainment etc. etc. etc.

THEREFORE Example: You Gamble and win \$1 million, you have \$1 million more to

Spend at the United Casino Networks, but you cannot take it out of the network or home. What is placed in the network, stays in the network to assure smooth operations and consistent Funding and less score losers.

(All non-profit donations) No Gambling no taxes non-profit
