This man says, "When ~~Sate~~ God gets tired of you, he turns you over to Satan, to deal with you?" "What he means is the niggers on Helmer Avenue fingered the righteous one." How can a demon drive out demons? When I leave this time, they will find out, what they wished on me they planned for themselves. Then a man says, "just pray for them." The Lord replied, "I AM tired of crying over them, my prayer is they all die."
