Rev. 21:1-2 Rev. 20:10 ISH: 20:3-6

Rev. 22:14-15 ISH: 10.5-12 ISH: 4-11:16

"Very Few will make it into the book of life"
"Watch out for those self mutilators, they are class."

"He said, I have to leave, I cannot handle bigotry."
Jesus said, "Did you go to public school and to another man, did you go to public school. Both said yes and private school too." "Well do you not think there is a correlation, between he bears black and you bears Pass For White, yet he is illiterate and you well spoken?" Had you said young man, I Am old enough to be your Father, let me explain to you about bigotry, you may have solved this problem, but instead you want to create one for you son. Had you called him a nigger, you would have been right about him, but of yourself too, a nigger is a God-less sinner and not about color, you all are niggers to me."

* Whoever Hates God

Then he goes into the yard and says to Jesus, a man bears accused of unlawful practice of law. "IF Esau looks like him (white) Elijah like you (Brown) and Eva like him (Dark) and I Am the Father, who come first?" "IF Jesus Feet was like bronze and he was in the beginning, who come first?" "IF I AM Alpha and Omega not just the beginning, but the end, who AM I?" Shaka stands before you, but you are looking for someone Blue Black?" "That is some racist shit." So he goes in the dorm and yells with authority "Who come first, the man with the Feet like bronze." And as Jesus entered the dorm, he said, "Let me explain parable." "When a stranger and said, I Am God." "You put him to sleep and IF their god believe in death, and God wakes up he must be put to death, But with me all you need to do is place a gun in the cell. Because he will shout himself." "Anyone who wants God dead will die from Self-Destruction."

"A Vos sets outwred and out circumcised"

"Do not confuse the two!"
