

# THE CONCLUSION OF PROPHECY

31°  
P.P. 22

THE Holy Bible is a tool of oppression For the Slave Master and the Navigator out of the Matrix, For those who reach the true understanding of God, who due to the deception of Humanland, had to come in the name Jesus Christ. It was written to create an atmosphere of hatred against the Messiah, who was and is the first human to be born with the Spirit of God, For he is the God Father. But Jesus Christ who does what the Father tells him to do and says what the Father tells him to say, walks by Faith and not by sight, led by the all knowing Spirit who is the Father, overcame darkness. And therefore, being the Father is not suicidal, he is therefore immortal and unbreakable. And therefore, the Holy Bible became a self-fulfilling prophecy to the Satanic order of Lucifer. Satan deceived the world with this crap.

THE Bible is filled with deception and outright lies, So why did I bother to fulfill the law? THE law is the US Constitution and he who could prove he is God and comes in the name Jesus Christ, inherits the world. And then will come the spirit code or an universe led by God rather than a chaotic world deceive by a law, murder and manipulator and thief, (Rene is the Devil)

THE old testament is clearly Satanic, as it speaks of the LORD as an acronym. We call him: GAL: Gill Lord/Lucifer Oz Rene DeBar. THE Lord of Lies who came as Rene DeBar. THE new testament is a separation and emancipation from the bondage place upon mankind by the old testament, For those who truly follow Jesus Christ and for those who are liars, it places them into deeper bondage.

TAKE THE last 8 books ① James ② 1 Peter ③ 2 Peter ④ 1 John ⑤ 2 John ⑥ 3 John ⑦ Jude ⑧ Revelation. Who are these people. I have not one brother as for James and Jude, we all know Peter is the first Pope. It seems these are the plans of Satan. It speaks of this Trinity God or really G.O.D. And Revelation is a real deceiver and it was overted. Rev. 16: 15-16 I AM The General of the Army, do we really want to go there? Rev. 17: 5-6 is this what he planned for Janet? Rev. 19: 11-21. He speaks of demonic spirits?

Satan has no spirit, there is but one spirit, the spirit of God and not the 7 congregations of the Sovereign Vatican City. Read the WWII Vault FBI. Sov Files Read my Bless and talk to my childhood friends. But do not think you know me by reading this line of Bullshit. J.C.
