Ray who runs the Laundry-mate on Main Street, in Avon Park. He is Puerto Rican from the Virgin Islands. He claims two sons with the biggest Missuneries in San Bernardino, CA or Santa Monica. He lives in Fort Meades, FL and claims to own lots of Real Estate there, as well as the corner on Main Street where the Laundry Mate is located. THE Code: His wife I met is Skinny and Somehow Ugly, whereby like the picture of "Olga" AKA Big Paul Castellano maid, which is in the Book, "Boss of Busses" Paul Castellano, the sight of her turns my Stomach. Who is she? Who are they? They seem to Favor. Is Olga the mother of Rene DeBar and is Big Paul his Father? THE Book claims he used a pump to get a hard. Why? He was obviously screwing his maid, who shared the big house with him.

Watch "God's Favor" a Camcorder recorded video of me in the background, interviewing Ray. As I would go to this laundry-mate weekly to debate with him, this time I filmed him. He made a few slips and told on himself and their intent to rub me. "Listen Closely."

IF Rene DeBar AKA Rene Eligundo and now this Muslim "Nissam," or some shit, from a Royal Family and of Outer in the middle East is in fact castrated, he knew I transplanted in about 1970, Richard Starks and Tyler Brooks who are first cousins of at least he knew he could put his back on. So why would he do this?

His mission was to defile the Temple of God. To make my children out of whores and prostitutes. THE Code: GAI: Gill

GO TO ON Gussle → Outer → Janet or ~~Jan~~ Janet Jackson! Whatever his name is this time Nissam. → Then Child Imuses → You will see him and a white girl and this is why castration. To be Faithful to his Janet Jackson and to once again make ~~as~~ ~~as~~ an ass out of Janet. THIS ONE Billion Dollar check was put into my child's account. Then he could bust, one man and one woman constitutes marriage. Meanwhile the whole economy of Outer is based on them being the main distributor of my products, corporations and production process and my name turned into shit. *Phil: 3:2*
