The February 28, 1959 Chicago edition of the "Pittsburgh Courier", magazine section, Pages 4 and 5, contains a two page spread of an artist's drawing of a proposed \$20,000,000.00 community center which will cover six city blocks on the South Side of Chicago and will contain a Mosque, an educational center, a library and a hospital.

An article entitled, " ' Negroes Should Wake Up! ' - Muhammad!" - "Thousands Attend Big Four Day Session of Moslems in Chicago", appeared in Section 2, Page 2 of the March 7, 1959 edition of the "Pittsburgh Courier".

This article which appeared under the by-line of TED WATSON at Chicago, a staff correspondent, reflects that the highlighting of the third Annual Convention of the Muhammad Temple of Islam was emphasis placed on " ' the waking-up of the so-called Negro American' ", in order for the race to become a leader in its own rights.

Literature being sold or passed out by NOI members in the vicinity of the Uline Arena, Third and M Streets, N.E., Washington, D.C., on May 31, 1959, was obtained by a Special Agent of the FBI.

One leaflet obtained by a Special Agent of the FBI on May 31, 1959, is captioned, "ELIJAH MUHAMMAD" and contains background information regarding MUHAMMAD. One page of the flyer reflects the following sayings of ELIJAH MUHAMMAD:

"We Must accept that which will elevate us. We must accept that which will make us a Nation. We must accept that which will make us greater people tomorrow. Let us go for our own.

"There is no hope in a people who cannot get along with themselves in Peace. It is high time that we all Unite and accept Islam.

"Respect yourself. If you have no respect for yourself, who will respect you?"

"Shun Evil. Where there are no decent women, there are no decent men.

CONFIDENTIAL

"We must respect and protect our women, because they are the mothers of our civilization.

"Learning is a great virtue and I would like to see all of the children of my followers become possessors of it."

The June 6, 1959, edition of the "New York Amsterdam News", Page 1, carried an article by LOUIS E. LOMAX, dateline, Washington, D.C., reflecting that upwards of 10,000 wildly cheering Moslems were at the Uline Arena Sunday afternoon to hear their leader, ELIJAH MUHAMMAD, who had arrived in Washington, amid an air of secrecy and security.

During his speech, MUHAMMAD said, "The American Negro must defend himself from grievous and unprovoked attacks by the white man".

MUHAMMAD related that, "Everybody has failed the Negro. The government has failed, the FBI has failed; Christianity has failed. All we can do is throw these things in the garbage can and then use the garbage can to fight back!"

"Chiding Christians for their 'turn-the-other-cheek' doctrine, Mr. MUHAMMAD continued: 'We have gone to war in Europe for the sake of the American white man. We have killed his fellow white man for him. We have killed one another for him. Now the time has come when we must.....' At this juncture, however, the wildly cheering followers sensing that their leader was issuing a call for them to take up arms to protect themselves, broke into such shouts of approval that the leader never completed the sentence. When the applause subsided, Mr. MUHAMMAD continued. He said, "If we cannot protect ourselves and our wives and our children, we may as well kill our wives and children and then commit suicide!"

The news article reflects that MUHAMMAD brought his followers to a fevered pitch with the announcement that, "We have arrived at a day of decision, we have come to a crossroads where we must decide what we will do tomorrow, if we think anything of ourselves, our wives and our children.

CG 100-8989

Every justice has been denied us. Now we must take matters in our own hands." Following the speech, MUHAMMAD was interviewed by Station WNTA-TV of New York. A top spokesman for MUHAMMAD said their leader told the interviewer that the pending destruction of the white man will occur before 1970.

The article by LOUIS E. LOMAX, dateline Washington, D. C., June 1, 1959, regarding ELIJAH MUHAMMAD's appearance and speech at the Uline Arena, Washington, D. C., also appeared in the June 4, 1959 edition of the "Los Angeles Herald-Dispatch".

An article in the June 5, 1959 edition of the "St. Louis Argus", St. Louis, Missouri, by Brother JOHN C. X., captioned "Moglim Leader Hailed by 10,000 in Washington", reflects that on May 31, 1959, at the Uline Arena, the Honorable ELIJAH MUHAMMAD, spiritual leader of the Moslems in North America, spoke on "justice" and the injustices levied against the black man. He characterized the white race as the "devil".

MUHAMMAD said, "Unity, which will never be in Christianity, is the solution to our problem".

The June 13, 1959 edition of the "Pittsburgh Courier", Section 2, Page 1, carried an article entitled, "Negroes Must Protect Homes, Mr. MUHAMMAD Tells 10,000", which concerned MUHAMMAD's speech on May 31, 1959 at the Uline Arena, Washington, D. C.

Referring to the recent MACK PARKER lynching in Mississippi and the rape of a Negro co-ed by four white men in Florida, MUHAMMAD stated, "We must return to the Mosaic law of an eye for an eye and a tooth for a tooth. We can no longer depend upon the government to protect us."

One J. A. ROGERS has a column entitled, "Your History" which appears weekly in the "Pittsburgh Courier" and sets out facts about Negro history indicating that it dates back beyond the cotton fields in the south and back thousand of years before Christ. The March 7, 1959 edition of the "Pittsburgh Courier" contained a brief sketch of ELIJAH MUHAMMAD, the "Messenger of Allah", in ROGERS' column.

It is publicly known that a column entitled, "Mr. MUHAMMAD Speaks", by ELIJAH MUHAMMAD, currently appears weekly in various city editions of the "Pittsburgh Courier", a weekly newspaper published at Pittsburgh, Pennsylvania.

During 1958 to present, it is publicly known that articles by ELIJAH MUHAMMAD appeared in the "Los Angeles Herald-Dispatch", a weekly newspaper published at Los Angeles, California.

It is also publicly known that during the first half of 1959, articles regarding ELIJAH MUHAMMAD and the NOI appeared in various editions of the "New Jersey Herald News", a weekly newspaper published at Newark, New Jersey.

CG F00-6989

In an article entitled "Beast, that Old Serpent, the Devil and Satan", appearing on Page 6, Section 2, of the February 14, 1959 edition of the "Pittsburgh Courier", ELIJAH MUHAMMAD stated, "We all know that one day, sooner or later, these two must be separated (Negroes and whites), if one or the other is to survive. Two distinct nations just cannot live as one in peace with the other, if equally educated, for then both will want to be equally independent. That will never happen between the American whites and blacks. The white man is already on top in everything that he does for a nation (except good), while the black man must start from the bottom. Will they (whites) equal themselves with the bottom and help the bottom to climb? The only one who will do that for us is Allah (God), himself and God will do it for us if we will submit to him. That is the purpose of his coming."

b2
b7D

An article entitled, "Common Sense Appeal to Unite", appeared in the column "Mr. MUHAMMAD Speaks" on Page 14, of the April 25, 1959 edition of the "Pittsburgh Courier".

MUHAMMAD calls for the so-called Negroes to unite and states, "IF A SMALL, well twisted cord is hard to break, then how much harder is it to break 100 such twisted cords, well twisted into one? We are well educated in the knowledge of what the slave masters dislike of us. If they are afraid of our unity as ONE nation of brotherhood, then why should not we unite? You know that they have deceived us in regards to the TRUTH of God, His religion, and our own selves. We have served them more obediently than we have the God of heaven and earth. In all our humblest submission to them, we received the most outright cruel injustice ever meted out to any human beings."

CG 100-6989

".....in Islam, you will have love, power and the help of Allah.....the entire nation of black mankind with you. This earth is ours and the God of it....."

"Why not unite with us? Regardless of the white man's position, we will be the winners, for God, Himself, is with me and those who follow me. I am your brother and a sufferer along with you. Let us unite".

An article entitled, "R. T. X. ASHFORD Leads Nation in Dispatch Sales", appeared in the June 11, 1959 edition of the "Los Angeles Herald-Dispatch". The article reflects that according to HENRY X (DAWSON), Minister, Muhammad Temple #27, 1480 West Jefferson, Los Angeles, California, and #2 salesman in the nation, the "Herald-Dispatch", "is the boldest, pro-black Negro owned newspaper in America. It supports our leader, the Honorable ELIJAH MUHAMMAD, 100% and his followers who love him dearly, support it. The Herald-Dispatch, he said, is the black man's press." When we support the Herald Dispatch, we are spreading the messenger's message to every corner of the earth."

ELIJAH MUHAMMAD, in his column, "Mr. MUHAMMAD Speaks", appearing in the June 29, 1959 issue of the "Pittsburgh Courier" in an article captioned, "The So-Called Negroes of America", stated, "Come and accept the real Islam, the Muslim. I am the door. I will let you in. For our slavery, sweat, blood and life, one half of America is not enough as pay".

It is publicly known that during the week, July 13 - July 17, 1959, MIKE WALLACE, on his News Beat show on WNTA-TV, Channel 13, New York, was showing a five-part report called, "The Hate that Hate Produced". The first part of the report was shown on July 13, 1959. The research in the interviews of the series was done by reporter LOUIS LOMAX. Following is the content of some of the statements made:

The report is a fully documented story of the movement for black supremacy among the growing and well organized minority of American Negroes. The leaders of this movement are crafty,

resourceful men who know what they are about. Their followers are Negroes who find in the cause of black supremacy an answer to centuries of persecution.

MIKE WALLACE spoke about a Negro religious group, who call themselves the Muslims. They use a good deal of the paraphernalia of the traditional religion of Islam but they are fervently disavowed by Orthodox Muslims. Negro American Muslims are the most powerful of the black supremacist group. They claim a membership of one quarter million Negroes and our research indicates that for every so-called "card carrying" supremacist, there are perhaps 10 "fellow travelers". Their doctrine is being taught in 50 cities across the nation. Let no one underestimate the Muslims.

An indictment against the white man charged the white man with being the greatest liar, drunkard, gambler, murderer, adulterer, robber, deceiver and trouble maker on earth. WALLACE said this indictment is being told over and over again in most of the major cities across the country. This charge comes at the climax of a morality play called, "The Trial". The plot, indeed the message of the play, is that the white man has been put on trial for his sins against the black man. He has been found guilty. His sentence is death. The play is sponsored, produced by a Negro religious group who call themselves the Muslims. They have their own parochial schools like the one in Chicago, where Muslim children are taught to hate the white man.

The Muslim story of hatred is carried in many Negro newspapers. Minister MALCOLM X, the heir apparent to KLIJAH MUHAMMAD, was shown proudly displaying five of the biggest Negro papers in America. Negro politicians, regardless of their private beliefs, respectfully listen when the leaders of the black supremacy movement speaks.

MIKE WALLACE mentioned a Muslim meeting at the Uline Arena, Washington, D. C., and said four or five times a year, the Muslims assemble in one of America's major cities, to hear their leader, KLIJAH MUHAMMAD, actually KLIJAH POOLE of Georgia. Every devout Muslim attends these rallies, for

CG 100-6989

sometime between now and 1970 and at just such a rally as this, the Muslims expect that ELIJAH will sound the death knell of the white man. Every precaution is taken to protect their leader. Muslims, both men and women, submit to a complete search before entering the meeting hall.

On the July 13, 1959 program, MIKE WALLACE discussed the United African Nationalist Movement (UANM). He indicated that every night when the weather is good, people gather in Harlem at 125th Street and 7th Avenue in front of the Theresa Hotel to hear speakers of the UANM spread their gospel of black nationalism.

WALLACE said the leader of the UANM is JAMES R. LAWSON, sometime public relations man and black nationalist, the man who says he has authorization to bring greetings from the United Arab Republic's President NASSER, to black nationalist groups in the United States.

On the program, LAWSON said that the UANM is an organization of people of African descent in America, however, it has associate organizations throughout the Caribbean, Africa and the Middle East. A non-African or non-Negro person cannot join the organization because it is an organization of people of African blood or descent. LAWSON said he is pro-black and does not favor integration or the National Association for the Advancement of Colored People (NAACP)

Part five of "The Hate that Hate Produced" was shown on WNTA-TV on July 17, 1959. During the program, MIKE WALLACE stated that because of the considerable interest that the series had engendered they would do a recapitulation of the entire story at 8 o'clock next Wednesday night on Channel 13.

A recapitulation of the five part series was shown on July 22, 1959, on WNTA-TV, New York City, from 8:00 to 10:00 p.m. A panel discussion followed. A member of the panel, ARNOLD FOSTER, Director of the Civil Rights Division of the Anti-Defamation League, B'nai B'rith, stated he had received information that on July 21, 1959, MALCOLM X, left Cairo for Mecca after spending seven or eight days in Cairo where he

was the invited guest of the Egyptian Government. FOSTER stated there was an "intense cooperation between representatives of Arab nations in the U. S. and this Muslim movement. They have been on the platform of ELIJAH in a number of instances. The heads of the Arab students in the United States have cooperated with them. In terms of money, I'm not prepared to say. In terms of personnel; in terms of appeals on their platform; in terms of encouraging what they have to say, I am prepared to say that this cooperation does exist and for which reason I suggest that the movement is even more dangerous than many of us appreciate."

E. Foreign Travel

The records of the Passport Office, United States Department of State, Washington, D. C., as of July 8, 1959, disclose that ELIJAH POOLE, Also known as ELIJAH MUHAMMAD, was issued Passport No. 1677936, on June 24, 1959, for proposed travel to "Saudi Arabia, via Europe, Jordan, etc. and others on return" for a period of two weeks for purposes of attending the "sacred Moslem Pilgrimage at Holy City of Mecca, Saudi, Arabia."

ORGANIZATIONS AND/OR PUBLICATIONS

The following organizations and/or publications, which have been utilized in this report and which have not been designated by the Attorney General of the United States pursuant to Executive Order #10450, are characterized in the attached appendix pages.

FRUIT OF ISLAM

On May 11, 1959, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon". Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

MUSLEM GIRLS TRAINING

On May 12, 1959, a source advised that the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) and is composed of all female members of the NOI. The MGT is similar in structure to the Fruit of Islam (FOI), which is composed of all male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics, and other subjects such as Muslim history and the English language. There also exists a Junior MGT, which is composed of female members of the NOI who are between the ages of 15 and 19 and who are afforded military-type drill.

Since 1957, various officers and "sisters" of the MGT have, at meetings of the MGT, used the term MGT so that it also means General Civilization Class. General Civilization Class refers to classes conducted within the MGT.

The above refers to activities of the MGT at Muhammad's Temple of Islam No. 2, 5335 South Greenwood, Chicago, Illinois.

On May 8, 1959, another source advised that the MGT is a group within the NOI which is composed of all female members of the NOI. The MGT is similar in structure to the FOI, which is composed of all male members of the NOI. In theory, the MGT exists in all Temples of the NOI and is patterned after the MGT at Muhammad's Temple of Islam No. 2, Chicago. General Civilization Class refers to the collective group of classes held within the MGT.

NATION OF ISLAM, Formerly Referred to as
Muslim-Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

Dear Sirs,

I just finished reading the Latin American Edition of August 10th Time magazine, and as an American citizen who was converted to the faith of Islam. Further as an Orthodox Sunni who prays five times a day, and does not believe in liquor or killing living things, I find the story of Elijah Muhammed and his so called Moslem followers very appalling,

As a fake Moslem representative who may lead average Americans to believe that the 40,000 true Moslem people are gangsters, radicals, and racists. What can be done, and can our laws cover their carrying of guns and knives. I am perplexed, and vitally disturbed, hurt, and ashamed of these fellow Americans who knock the true Faith.

My reason for writing you is two fold:- Can you suggest some way that I as an American can actively do something to help correct this situation? Can you recommend any organization that either financial help or active participation will help to solve this situation.

I fully realize you Mr. Hoover will never see this, but, one of your many assistants and secretaries will undoubtedly answer my letter.

As an American who feels that we set a pace, paint a picture of our way of life, and must be representative of the Western American Democratic way of life. I hope I can while with foreign peoples give a good American impression.

I am
Sincerely grateful
for courtesies.

Infidel:

I have you black Muslims on the run and I will soon put you out of business. That being the case, why don't you dissolve your Muslim nigger organization of Islam and tell your darkies to go home and be good niggers and stay in their place?

Muhammad, you don't have a chance against me because I am using other niggers against you. Some niggers work for me for pay and others work for me because they are cowards and some of them work for me because they know I am right.

You will have to admit that I kept you from speaking in Indianapolis recently. For several months I have been operating out of my special Louisville base to build the Klan stronger in the border states, especially Indiana. Therefore, when I heard you were planning to speak in Indianapolis, I drove over to Indianapolis and had a conference with local Klan leaders. They told me I had nothing to worry about because they would scare the cowardly niggers in Indianapolis. They then got prominent people to call on Rev. Hardin and other leaders of the nigger community in Indianapolis and headed you off. We were also able to frighten you and your black friends with the police. Of course, I told them to threaten you with other laws instead of that un-Constitutional law that says you can't hate anybody, whatever that means.

When I became a Klingle in the Ku Klux Klan in 1942, that Klingle's commission was granted to me by the late Imperial Wizard Dr. James A. Cole-scott, a native of Terre Haute, Indiana, who was then reigning over the Klan from the Imperial Palace in Atlanta. I am his successor and have his old contacts in Indiana. Indiana belongs to the Christian Knights of the Ku Klux Klan in trust for Christianity and the great White Race. We don't want you to be stirring up the blacks there, so remember it is a Klan state. We control many of Indiana's politicians and some of its niggers, including nigger preachers, as you well know from experience. Therefore, leave the White Christian State of Indiana to us.

If I can put you out of business, the Ku Klux Klan will once again become supreme throughout the North because the other niggers are easier to handle than you Muslims. So why don't you make it easy for us by (see

folding up and going back into the Churches where your evil souls can be saved.

I am now leaving Louisville on a speaking tour of Florida, the Carolinas, Virginia and Delaware before returning to my national headquarters in Atlanta. I will tell loyal White people in all of those states how I am putting you Muslims out of business and how White Supremacy will soon be restored throughout America. Most White people know how cowardly niggers are, so they will know I am telling them the truth when I tell them that I am bound to defeat you because I am even able to get many darkies to denounce you black Muslims and work against you. In fact, you would be surprised to know how many niggers and White officials I have working against you niggers in many places. Some of them don't suspect that we Klansmen are using them and wouldn't believe it if you told them, so I am safe in bragging about it. We are even able to use people against you blacks that don't like the Klan. For instance, we got some people who are not Klansmen to go to a certain Senator and persuade him to denounce you black Muslims; that is the way we often work.

I am writing this letter to you to make things easier for me. If you will dissolve your temples of Islam and publicly say that the great White Race is a superior race and that all niggers should stay in their place, the Klan can proceed to take over the Country - in a legal way, of course. Once you Muslims stop resisting the Ku Klux Klan, the other niggers won't even try to stop us. If you will do that, I will help you to get a good job on a farm. You don't have a chance against us, so why don't you quit? You know that the niggers are too cowardly to support you; their cowardice even causes them to fight you - they know we Whites are their betters.

I am now on my way to Florida to stop integration down their by niggers who hate their own race so much that they prefer to associate with Whites. Watch and you will see that, by the grace of GOD, I will stop integration in Florida. I am not afraid of the puny NAACP or their leaders who aren't even niggers. Florida, here I come.

With every wish for the failure of black Islam, I remain

Re: the black Muslims

Dear Fellow Whiteman:

The Christian Knights of the Ku Klux Klan is composed of all loyal White people, both Catholics and Protestants, native born and foreign born, young and old. We are working to unite all of the forces of White Christendom in the struggle to Preserve the great White Race. The future of civilization depends upon the survival of the beautiful intelligent White Race - the bearer of Christian truth.

I have received a report from one of our Klansmen on the New York police force informing me that the nigger Muslims are in rebellion against White law and order. He reports that those blacks have no respect for your honest White Christian policemen. Therefore, in the interests of law and justice, I am offering you the support of the CHRISTIAN KNIGHTS OF THE KU KLUX KLAN.

I am an expert on the black Muslims and have kept up with their infidelic activities for many years. From my knowledge of them, I assure you that they are much more dangerous to White Christian rule in New York than you realize. You and I must join forces to stop the black Muslims now or they will soon drive every White person out of New York City. The largest city in the world will then be an all nigger city of black supremacy where White people will not be allowed to live. The only thing that can stop Elijah Muhammad and his black Muslims from conquering New York is for my Christian Knights and your New York police to join hands and work together to uphold White Christian Supremacy. Without the support of my Christian Knights, the Muslims will continue to force you to retreat until you and the great Mayor Wagner and all other White officials and judges will be ousted from office. Elijah Muhammad will then give your job to a nigger and put in a nigger as mayor of New York. Then he will only allow niggers on the N.Y. City Council and all judges and all policemen will be niggers. By then, the Muslims will have driven all White people out of New York, without exception. Don't let the black Muslims fool you when they demand entrance to schools in White neighborhoods or demand houses or apartments in White areas. They only wish to enter White neighborhoods and White schools so they can then proceed to drive all of the Whites out. Take my advice and we will put the niggers in their place instead of letting them take over New York City and all the national power that goes with it.

We need to put the black hoodlums out of business, but we must do it in a legal way with the police and the courts. As a Georgia lawyer, I insist on doing everything according to law. You know what I mean. It is urgent that you persuade the officials of the City and State of New York to immediately repeal all ordinances and laws that prevent Whites from discriminating against niggers because those evil laws constitute an open invitation to all the niggers in the South to move to New York City where they will strengthen the Muslims and subject that giant metropolis to black supremacy. Those laws need to be replaced with laws that will help White Christians in New York to imitate us Southerners by keeping the darkies in their place. You might be interested in knowing that some Southern business men and farmers are complaining because their darkies are leaving the South and moving to New York where they can get higher pay. Wealthy Southern housewives are complaining because it is becoming harder to find colored maids and cooks who will work for a dollar per day; they want you to send them back and cut out those high wages for niggers in New York. They are moving to New York in large numbers to work for higher wages on account of your laws against racial discrimination. Remember, every nigger who moves from the South to N.Y.C. makes the Muslims more powerful.

You need to learn more about that evil genius, Elijah Muhammad, or you will never stop him and his niggers from taking over your city. He claims to be the re-incarnation of that infidelic 7th Century prophet, Mohammed, who almost conquered the known world and he may be him because he is much more clever than the other niggers.

I think we need to put Muhammad out of business in a legal way and not use the criminal methods that the communist F.B.I. is using against him. I hear that the F.B.I. is using nigger pimps to join up with the Muslims so they can spy on them. They also start arguments in meetings so as to disrupt them. They also try to turn niggers away from Islam by accusing Muhammad and other Muslim officials of stealing money out of the Muslim treasury because the F.B.I. knows that most niggers will believe those kind of false charges without any proof. Even though I would enjoy seeing Muhammad hanged from a Harlem lamp post, I have to admit that he does not steal from his own followers. We are both familiar enough with red F.B.I. methods to know that the F.B.I. plans to frame the Muslims by having nigger F.B.I. pimps use violence and then blame it on the Muslims. Instead of using illegal F.B.I. police state methods, I suggest that we put the Muslims out of business with the White Christian methods that have worked so well in the South. Besides, any spies you put among the Muslims will probably be killed. Those Muslims are the meanest niggers in the world.

You need to realize that Muhammad has organized several hundred thousand niggers throughout America. His Muslim temples are springing up everywhere; he has several temples in my home city of Atlanta. If you were a student of Race, you would know that Christianity is the Whiteman's religion and has only been successful in White countries; whereas, the Muslim religion of Islam is a nigger religion which appeals to the nigger's black racial instincts. That is why the Muslims grow stronger every day even though every nigger that becomes a Muslim will go to hell when he dies. If we fail to stop the Muslims now, the 16,000,000 niggers of America will all soon be Muslims and you will never be able to stop them. Reports from Christian missionaries say that Islam is sweeping over all of Africa so don't underestimate the Muslims.

Up to and including its edition copyrighted in 1956, the Encyclopedia Britannica admitted that under the heading of "Negro" that the nigger is closer to the anthropoid ape than the White man in every respect except one. It also revealed the niggers to be natural born cannibals. For more information about the facts of Race, I suggest you read "Take Your Choice, Separation or Mongrelization" by the late U.S. Senator Bilbo of Mississippi and "White America" by Earnest Sevier Cox. Both are in the Library of Congress. Another valuable Race book is "The Cult of Equality" by Stuart O. Landry, 305 Chartres, New Orleans, La. Therefore, you can easily see that your problem is with black savages. We will help you put the blacks in their place before they turn all of your great city into a barbaric jungle.

The NAACP is a bad gang but I assure you that the Muslims are ten times more dangerous. The NAACP is a cream puff compared to black Islam. The NAACP likes White people so much that its members try to associate with us Whites every day, but the Muslims think they are better than us Whites even though everybody knows that we Whites are ~~more~~ superior to the nigger coons. I guess you know that the NAACP is headed by a man who is not a nigger, but there is a bad nigger at the head of the Muslims.

I have had White Christian friends write to many magazines inciting them to denounce Muhammad and his Muslims so as to scare many cowardly niggers away from him. So far I have managed to "sic" both "Time" magazine and "U.S. News & World Report" on them.

Police Commissioner Kennedy, my dear friend, I now offer you the service of the Christian Knights of the Ku Klux Klan for the purpose of maintaining White Supremacy in New York City and for keeping New York niggers in their place. I think 5,000 Klansmen could clean up Harlem for you if you would give them police badges and N.Y. police uniforms to wear instead of their Klan uniforms. They will leave their Klan robes at home so the New York niggers won't know that your police reinforcements are White Christian Klansmen. You can use our Christian Knights as guards to protect every White business in Harlem and also in other New York areas where nigger customers are giving trouble to White business men. After all, how do the black jig-a-boos expect to live without White business men to sell them what they need. You can also use our Klansmen to escort White salesmen into Harlem and other parts of New York City that are suffering from the black plague. (Continued to page four)

I will expect you to supply my Klansmen with police pistols (so they won't have to carry their own pistols). They will also require machine guns, riot guns, tear gas and big clubs. They will especially want some big sticks with iron inside the wood so they can crack hard nigger skulls. Niggers have thicker skulls and smaller skulls than we Whites. In your police uniforms, my Klansmen will teach New York niggers to respect White Christian policemen. I will send my Christian Knights to your rescue as soon as you call for them.

Do you want to keep these plans secret or make them public? If we give publicity to these plans, the yellow-livered, cowardly darkies would probably start shaking in their shoes and showing proper respect for White people before the arrival of the Ku Klux Klan. Please advise.

In case you decide to keep our plans secret, remember that the secret might leak out. In case of a leak, strongly deny that you have called for the support of the Christian Knights of the Ku Klux Klan. I want you to jump up and down and scream when you tell the newspapermen that we are not working together, in case our plans leak out. That will keep them from saying anything.

Tell your superiors to take their choice. You can either accept our support and have White Supremacy in your giant city; or, you can retreat and abandon New York City to Elijah Muhammad, his Muslims and black supremacy.

I know we will enjoy working together to roll back the black locusts. Together, my dear friend, we will save New York City for the White Race, the race that built civilization. In the Christian bond of White racial brotherhood, I remain

Infidel:

I have you black Muslims on the run and I will soon put you out of business. That being the case, why don't you dissolve your Muslim niggers organization of Islam and tell your darkeys to go home and be good niggers and stay in their places!

Muhammad, you don't have a chance against me because I am using other niggers against you. Some niggers work for me for pay and others work for me because they are cowards and some of them work for me because they know I am right.

You will have to admit that I kept you from speaking in Indianapolis recently. For several months I have been operating out of my special Louisville base to build the Klan stronger in the border states, especially Indiana. Therefore, when I heard you were planning to speak in Indianapolis, I drove over to Indianapolis and had a conference with local Klan leaders. They told me I had nothing to worry about because they would scare the cowardly niggers in Indianapolis. They then got prominent people to call on Rev. Hardin and other leaders of the nigger community in Indianapolis and headed you off. We were also able to frighten you and your black friends with the police. Of course, I told them to threaten you with other laws instead of that un-Constitutional law that says you can't hate anybody, whatever that means.

When I became a Kludge in the Ku Klux Klan in 1942, that Kludge's commission was granted to me by the late Imperial Wizard Dr. James A. Colescott, a native of Terre Haute, Indiana, who was then reigning over the Klan from the Imperial Palace in Atlanta. I am his successor and have his old contacts in Indiana. Indiana belongs to the Christian Knights of the Ku Klux Klan in the trust for Christianity and the great White Race. We don't want you to be stirring up the blacks there, so remember it is a Klan state. We control many of Indiana's politicians and some of its niggers, including nigger preachers, as you well know from experience. Therefore, leave the White Christian State of Indiana to us.

If I can put you out of business, the Ku Klux Klan will once again become supreme throughout the North because we the other niggers are easier to handle than you Muslims. So why don't you make it easy for us by (see

Folding up and going back into the Churches where your evil souls can be saved.

I am now leaving Louisville on a speaking tour of Florida, the Carolinas, Virginia and Delaware before returning to my national headquarters in Atlanta. I will tell loyal White people in all of those states how I am putting you Muslims out of business and how White Supremacy will soon be restored throughout America. Most White people know how cowardly niggers are, so they will know I am telling them the truth when I tell them that I am bound to defeat you because I am even able to get many darkies to denounce you black Muslims and work against you. In fact, you would be surprised to know how many niggers and White officials I have working against you niggers in many places. Some of them don't suspect that we Klansmen are using them and wouldn't believe it if you told them, so I am safe in bragging about it. We are even able to use people against you blacks that don't like the Klan. A confidential source advised on October 24, 1959, that Elijah Muhammad advised an unknown individual that he, Muhammad, was scheduled to leave on the "6th of next month" but he doubted that he would be ready to go. Muhammad told the unknown individual that "they" were planning to see a number of Muslim countries but have not gotten a visa for unknown individual's country, Indonesia or Java. Muhammad further stated that Akbar Muhammad was going as an interpreter and Herbert Muhammad was going as photographer.

This source advised on October 26, 1959, that [redacted] advised Elijah Muhammad that the itinerary for the trip covers Africa and Arabia and it takes two months. The rest, Pakistan and the other places, would take another month longer than originally planned.

b7c

[redacted] stated that they might run into some visa trouble with the deadline of the sixth. [redacted] asked if a ninety day trip was all right and could the deadline date be moved back.

Muhammad advised that the longer trip was all right and the deadline could be moved back a week or two as it would take an additional week or two for "them" to get their shots.

This source advised on October 29, 1959, that Elijah Muhammad advised an unknown brother the date of the "trip" had been moved to the 21st.

NATION OF ISLAM, Formerly Referred to as
Muslim Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

NATION OF ISLAM, Formerly Referred to as
Muslim Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

FRUIT OF ISLAM

On May 11, 1959, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon". Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

at 4847 West Woodlawn Avenue, Chicago, Illinois. He is a Negro and is the national leader of the NOI with headquarters in Chicago, Illinois. The NOI is a semireligious racist organization, whose members regard Allah as their supreme being. Hatred of the white race, separation of the races, the destruction of America, rule by Negroes, and establishment of a separate Negro nation in America are principle teachings of the NOI. The NOI presently has 29 temples located in principal cities throughout the United States.

Akbar Mohammed, a male Negro, was born July 31, 1939, at Chicago, Illinois; he resides with his father and is connected with the NOI Temple in Chicago. No information concerning the issuance of a passport to Akbar has been received to date.

Herbert Mohammed, a male Negro, was born April 16, 1929, at Detroit, Michigan; he also resides with his father and is also connected with the NOI Temple in Chicago. He has Passport Number 1670801 which was issued on 8-3-59 at Chicago, Illinois.

It is noted that the subject's sons spell their surnames differently than their father. However, the subject and his sons have been known to use both names Muhammed and Mohammed.

NATION OF ISLAM (NOI)
also known as Muslim Cult
of Islam, Muhammad's Temples
of Islam

~~CONFIDENTIAL~~

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD'S teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

~~CONFIDENTIAL~~

ELIJAH MUHAMMAD
INTERNAL SECURITY - NATION OF ISLAM

A confidential informant on January 6, 1960, advised that ELIJAH MUHAMMAD was then in New York City and had stated "they" (ELIJAH, AKBAR and HERBERT) would leave New York at 11:50 a.m., EST, on Flight 521, Northwest Airlines, and would arrive in Chicago at about 3:00 p.m., January 6, 1960. ELIJAH MUHAMMAD asked that his arrival in Chicago not be announced and stated he wanted this because "they" have been on the road for three days and look awful. ELIJAH MUHAMMAD continued that he had returned to the United States (from his trip abroad) by the same route and that the trip had been a big success.

The same informant on January 8, 1960, advised that on that date ELIJAH MUHAMMAD and his two sons, AKBAR MUHAMMAD and HERBERT MUHAMMAD, were at their residence, 4847 South Woodlawn, Chicago, Illinois.

ENCLOSURE

~~CONFIDENTIAL~~

NATION OF ISLAM, Formerly Referred to as
Muslim Cult of Islam, also known as
Muhammad's Temples of Islam

In January, 1957, a source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam".

On May 11, 1959, another source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teaching and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils", in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon".

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

FRUIT OF ISLAM

On May 11, 1959, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of all able-bodied male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon". Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.
