Cell: (646) 589-2072*

I AM requesting services be continued and reevaluated in Highlands County, Florida, with due recognition that my family are victims of hate crimes.

Have my food stamp card forwarded, as in the future all Americans will use food stamps to assure food distribution accountability as the blue dough law goes into effect.

Everyone get twice the amount food stamps and a war rations for \$1,000 per household or better yet \$500 per customer and one time for every American.
