Everybody has Demons

FADE IN:

EXT. AT THE FRONT OF THE HOUSE ON THE PORCH ON A ROCKING CHAIR - MORNING

Aisha sits in the rocking chair rocking back and forth on nice sunny day in Florida you see her for a moment and then you see things that she discusses as she tells the story about herself and her family the story and the events that lead to her current situation. In a somewhat country voice you hear her speak.

AISHA (V.O.)

I do not know where to start my name is Aisha Johnson my daddy name is Rayvon Johnson they call him Big Ray he is a big name feared by many, they say he is mean but he is nice to me. I remember the first time I saw him cry it broke my heart, not to mention it was at my mommas funeral she died when I was only 20 years old.

INT. INSIDE THE CHURCH IN NEW YORK AT HER MOTHER'S FUNERAL - AFTERNOON

Big Ray was very emotional and was crying as they pulled him away from the casket of his deceased wife **Leona**.

BIG RAY

Oh Leona how could you leave us so soon baby, what are we going to do without you?

AISHA (V.O.)

The funeral was very emotional and was very crowded there was standing room only, I think the church was too small. The funny thing is that I think my daddy felt guilt, because he often would beat my momma. Maybe this had something to do with the decisions I made in life. Then there is my little brother Rayvon, I call him little but he is bigger than me, but I am older than him by three years and he will always be my little brother. My momma got sick when he was a little boy and that was the last time I saw him cry, he did not even cry at the funeral, he just stood there looking mad pouncing his fist and grinding his teeth, him and Big Ray never really got along.

INT. INSIDE THE CHURCH IN NEW YORK AT HER MOTHER'S FUNERAL -
AFTERNOON

Rayvon mumbling to himself next to his sister Aisha.

RAYVON

One day Big Ray, one day I am going
to be bigger and stronger than you,
you killed my momma you killed my
momma.

AISHA (V.O.)

Rayvon always blamed daddy for mommas
death, but my momma had high blood
pressure stayed out in the streets
late hours of the day gambling and
drinking and I heard in fact I caught
her cheating on my daddy. That does
not give him a reason to beat on her
as he did, but she mistreated daddy
and a man has pride and Big Ray was
a very proud man. I think they only
stayed together because of us and
they were old fashion and believed
until death they should remain
together.

INT. ON THE AMTRAK TRAIN HEADED TO FLORIDA - NIGHT

Aisha riding on the train reading a book about the history
of the black man in America. You hear the train rumbling
down the tracks and you hear the train horn blowing.

EXT. AT THE TRAIN STATION IN A SEBRING, FLORIDA - AFTERNOON

GRANDMA SUGAR

Come her baby give your grandmamma
some sugar. Everything is going to
be alright Grandma Sugar is going to
take care of her baby. You remember
your aunty Sister Peace? She works
at the college you will be attending

SISTER PEACE

Come here girl, peace and love, give
your aunt a hug. Girl you got big
and you are so pretty, you must have
gotten that from you aunt. You are
going to be alright baby.

AISHA (V.O.)

They say my grandmamma was an Native
American, but my brother Rayvon said he heard
her in a slip of the tongue say she was from Sicily
(MORE)

AISHA (V.O.) (CONT'D)

and when he said something to her about it asking why she claims to be Indian, she said it is none of their damn business, which was strange coming from a pillar of a church. She had my daddy and my uncle Shotgun as they call him for killing a man while he was young and years later she had Aunt Peace, who was not much older than me she is just 15 years my senior not long after she was born they say granddaddy died. And this is where my story begins.

INT. AISHA IN BED IN HER BEDROOM - MORNING -

Shaking Aisha and tapping on her while in bed.

SISTER PEACE

Wake up girl, wake up it is time for you to go and register for the new semester so you can get the classes of your choice.

Half awake Aisha looks at her alarm clock and notice it is just 5 am.

AISHA

Aunty it is only 5 am, it is too early go away.

SISTER PEACE

Look girl you do not think your aunt Peace keeps this figure laying in the bed all day do ya? We have to do 2 miles every morning, now get your lazy behind up.

Now pulling Aisha out of the bed, Aisha is not used to getting up in the morning to exercise.

AISHA

Please aunt Peace let me sleep.
Alright!

Aisha gets out of bed and puts on sweat suit Aunt Peace purchased for her the day before.

SISTER PEACE

Does it fit?

AISHA

Yes aunty!

SISTER PEACE

Good lets go?

She said lets go but like a question.

AISHA

Well can I at least brush my teeth.

SISTER PEACE

I hope so we have a lot of catching up to do and I need not morning breath.

They go tracking around town, Avon Park, Florida is small town in population but a wide area, however the City limits are not that wide, but people like Sister Peace lives outside the City limits and commutes to town. The University is right outside the city limits as they run they talk and you can see Sister Peace pointing at places and telling her about the town.

AISHA

What is that a club Aunt Peace?

SISTER PEACE

Oh no you stay away from that place, it is the dumps a man just got killed in there last week. I do not know why they let that place operate, it is nothing but thugs, drugs and guns.

AISHA

Oh really?

Aisha was thinking to herself, the audience hears her thinking to herself, "Maybe there is some action in Avon Park after all." She had no intentions of taking her aunt's advice, but planned to do the very opposite.

SISTER PEACE

Your going to need a car to go to the college and get around.

AISHA

I do not known how to drive, I cannot afford a car!

SISTER PEACE

Your aunty got plenty of money,

Listen to your aunt, peace and love, let me handle things for you.

AISHA

I still cannot drive and school starts soon.

SISTER PEACE

I am sorry about your momma. I will
have you driving in no time.

INT. IN AN APARTMENT IN QUEENS, NEW YORK - EVENING

Rayvon joined the Army he was 18 years old, he kept this to himself not even telling his friends. He had his high school diploma and was finally old enough to move out from under Big Ray whom he was angry with because he felt Big Ray contributed to his mother's death.

RAYVON

Daddy I have something to tell you,
sit down man.

BIG RAY

What's wrong boy?

RAYVON

Na man it is all right in fact, just
listen.

BIG RAY

Now you ain't funny boy like your
first cousin?

RAYVON

Oh Jokes! Stop kidding daddy this
is serious business!

Holding his heart like he was having a heart attack in a joking manner he says.

BIG RAY

Oh no my boy sell drugs, what are
you cuz or bloods?

RAYVON

Your starting to worry me, let me
break the news to you. Are you ready?

BIG RAY

Alright all jokes aside, what is it
boy?

RAYVON

I-joined-the-Army. I got it out.

BIG RAY

No! No! Are you serious man? I
thought you was going to college
like Aisha. I know you blame me for
your mamma boy but times are dangerous
now.

RAYVON

I am not scared, more black young men; man the streets are more dangerous.

BIG RAY

Those damn recruiters, I bet they fed you that bullshit, those boys are going to go to war. Didn't you see what happened to the World Trade Center? But I am tired of fighting with you man, you are a man now you are emancipated, I cannot protect you anymore you are on your own as a military man.

RAYVON

Yea I am a man now, by the way I leave next week.

BIG RAY

Next week? Damn! Anymore surprises? I am about to lose my boy in a week.

RAYVON

I am just going to the Army!

BIG RAY

Yea but you will be a man.

In a daze Rayvon realized he reached manhood the fast way and repeats his dad.

RAYVON

I am a man?

INT. AISHA IN BED IN HER BEDROOM - NIGHT

Aisha and Rayvon talks on the phone long distance about his decisions and conversation with his father.

AISHA

Why you had to join the Army of all branches of the military, they send the Negroes straight to the front line.

RAYVON

There you go with you black talk.

AISHA

Why you did not join the Air Force or something like the Navy.

RAYVON

The Army offered me the best deal and the best job, I shopped this out sister Aisha.

AISHA

Oh well I hope you do not get yourself killed.

RAYVON

Don't tell grandma, but I am going to surprise her after I finish training I am coming to Florida to see you'll

Aisha act like she was going to tell and yelled out.

AISHA

Grandma!

She hesitated for a moment and said.

AISHA (CONT'D)

Rayvon said hi!

RAYVON

You had me nervous for a moment.

AISHA

You know your secrets are safe with me?

RAYVON

Yea right! Daddy said this is long distance I have to get off the phone.

AISHA

Well its been 30 minutes Rayvon. Good luck boy.

RAYVON

I am a man, I have been emancipated. Since you have all the sense explain that one to me.

AISHA

That's right you will be emancipated, because now the Army is your daddy. If daddy tells you to do something and the army tells you something else, you have to follow the orders you receive by the Army, that is why you have to be emancipated.

RAYVON

And that is called being a man?

AISHA

I am going to tell you something and keep it to yourself. Are you ready for the truth?

RAYVON

Yes.

AISHA

The meaning of man is one who pledges to an allegiance. By joining that gang called Department of Defense, you became a man by American Law and the laws of secret orders. Understood?

RAYVON

Understood!

AISHA

Good luck Man!

RAYVON

How is it down there?

AISHA

For 30 minutes you talked about the Army, Goodbye.

Aisha hangs up and says to her grandmother.

AISHA (CONT'D)

Grandma the boy, excuse me man can talk. I hope he makes it in the Army.

GRANDMA SUGAR

Oh lord my boy joined the Army.

AISHA

He will be alright I feel it in my bones.

GRANDMA SUGAR

You was always a spiritual girl, the Lord is in your favor.

AISHA

I don't know grandma, he took my momma away.

GRANDMA SUGAR

Don't be like Rayvon and be angry with the Lord. He blames his daddy but he really believes the Lord has forsaken him. Don't be angry with the Lord no matter how hard things get, love the Lord with all your heart.

AISHA

Thank you grandma, I needed that.

INT. AT THE THUG NIGHTCLUB - NIGHT

Aisha goes to the night club her aunt Sister Peace told her to never go to, but she was always to some degree rebellious. While sitting at the bar drinking coke and young man about 3 years her senior approaches her.

JAKE

Whatever she is drinking give her as many as she wants tonight. Her drinks are on Jake.

BARTENDER

That will be cokes on the house.

JAKE

Rum and coke?

BARTENDER

No big spender like I said coke, why don't you find another girl she is not your type, in fact I do not think she belongs here, I should put her out.

AISHA

Let me be honest with you Jake is your name? I just came to get my dance on, you wanna dance with me? I do not know what you do for a living but I can pay for my sodas.

JAKE

Sure you right. Let's get our dance on.

They danced all night and at the end of the night Jake starting his games.

JAKE (CONT'D)

That was the most fun I had in a long time. So how do you plan to get home you need a ride?

AISHA

I have a car, thanks but no thanks!

JAKE

Than can you give me a ride?

AISHA

Didn't you just offer me a ride home,
so you have your own car right?

JAKE

Don't make sense to burn two gas
tanks for one trip

AISHA

I am not going home with you man,
what kind of woman do you think I
am? Later!

JAKE

If you say so.

AISHA

And I didn't mean it like that, you
must really think you are a thug.
You'll country boys are trips.

JAKE

Later? I mean it like that.

AISHA

Whatever!

INT. IN THE MAIN HOUSE IN AVON PARK FLORIDA - EVENING

Rayvon finished basic training and AIT and was set to go to his duty station at Fort Steward Georgia with the 3rd Infantry Division a highly honored Division, but a high percentage of them serve in the Middle East compared to other units so there was a good chance Rayvon would serve in the war against terrorism in response to the World Trade Attacks. He call his grandmother to inform her he was about to visit her in Florida for a couple of weeks before going to Georgia. The phone rings and Grandma Sugar answers the phone.

GRANDMA SUGAR

Hello, Hello, this is Mother Sugar
speaking, who is calling and how can
I help you?

RAYVON

Grandma it is Rayvon, how is everyone
doing?

GRANDMA SUGAR

Boy how are you doing we have not heard from you in a three or four weeks.

RAYVON

I am in the Army grandma.

GRANDMA SUGAR

I do no care if you in the Army boy, I do not care where you are in the world you stay in touch with your family.

RAYVON

I love you Grandma, and I am sorry if I caused you'll to worry, but I was under a lot of pressure, I did not know if I was going to make it.

GRANDMA SUGAR

That is even more reason to call, we are family and our job is to help each other through hard times, we are not family just in good times.

RAYVON

I am sorry grandma, but I am going to Florida for two weeks to see you and everybody in town, it has been years since I been down there.

GRANDMA SUGAR

Rayvon you coming to see your grandma Sugar?

RAYVON

RAYVON

Aisha has her own ride now.

GRANDMA SUGAR

She got a nice little car, it is brand new, but I do not like the way she drives, she is learning.

RAYVON

Well I will see you in a couple of days.

Other soldiers wants to use the phone it is a phone line, they were not allowed cell phones in training. They all started saying come on Rayvon we have to make our calls too.

RAYVON (CONT'D)

Grandma I have to get off the phone, the other guys have to call home. I love you and will see you soon. Give my love to Aunt Peace and Aisha and tell daddy I will be headed to Avon Park and cannot make it to New York this trip.

GRANDMA SUGAR

Goodbye baby and we will be happy to receive you. Thank you Jesus!

They hang up the phone. The other guys were so in a rush to get on the phone they almost knock Rayvon down. Speaking to the next person on the phone line.

RAYVON

Damn you gonna knock me over?

Rayvon gets on the Commercial Jet at Fort Sill, Oklahoma headed to Orlando International Airport in Florida, he is in dress greens, about 3 hours before he boarded the Plane he called Grandma Sugar again to let her know he was on his way and he gave them the boarding information being Aisha and Sister Peace, who was to meet him at the airport.

Grandma Sugar was running all over town getting all the little things to make Rayvon's visit special, knowing it might be a while before they see him again and it was years since they saw him. She was telling everyone about her baby Rayvon a soldier boy was coming home to see his grandma.

GRANDMA SUGAR

Jerry get those sheets right there.

Jerry is one of two of Sister Peace children, she has a son and a daughter and they call her husband Rev. Dr. Love the head of the Love Ministries, which happens to actually be his last name.

JERRY

Grandma you ain't never went through all this for me.

GRANDMA SUGAR

You don't think I love you?

JERRY

Jerry was about 13 years old in middle school and a church goer all of his life and very mannerly.

JERRY

I will never join the Army they are not going to get me killed, I am going to college.

GRANDMA SUGAR

You think my baby going to die?

JERRY

No grandma, I did not mean it like that, but there is a war about to start and there is no draft, why in the world would someone volunteer to go in the military?

GRANDMA SUGAR

Oh Lord, Oh Lord I think this is the big one.

JERRY

Grandma what is wrong, are you all right?

GRANDMA SUGAR

Oh Lord, I think this is the big one.

Grandma sugar was having a heart attack, from over excitement, plus she was already sick. She falls down in WalMart and passes out. Jerry starts shaking her as he panicked, crying out.

JERRY

BIG RAY

No I am coming back home and Aisha you gonna get that degree, if it is the last thing you do. I will live off of my annuity money, my job is about to move to Ohio anyway, that is why I sent Aisha down her in the first place, but I have to come home now.

RAYVON

It was my fault I should not have surprised her.

SISTER PEACE

She is right, let us pray and eat,
 bury momma and then discuss the future
 plans.

REV. DR. LOVE

Your momma did in death what she
 could not do in life, she has brought
 her children back together. I am
 going to miss that woman, if it was

BIG RAY

PATRICIA

I do not know by the grace of God she maintained that high grade point average. She runs the streets half the time? If Aisha applied herself she could be a doctor instead of earning BS.

BIG RAY

Your not jealous of Aisha Patricia are you, this should be a joyous day.

PATRICIA

No I just seem to have to work twice as hard to get the same grades in grade school.

She sees Rayvon behind a car on a dirt road with a malt liquor bottle turned up to his mouth taking a piss (Leak) drunk to the point of silly. She opens the window that is electronic and waves at Rayvon.

AISHA

Why are you trying to be nice to me
you know I do not like you or your
kind.

MARIA

You need to get over it girl, Rayvon is my man now.

AISHA

Well your man is up the hill pissy drunk. I saw the fool drinking a beer and pissing at the same time behind a car. I guess that is what happens when you marry outside your race, they drive you to booze?

MARIA

I do not know what your problem is but on the s real, he was not always like that, when I met him he was the nicest person I even met. I was a virgin when we married, he was that special to me, then something went wrong, he changed. I am really afraid for him.

AISHA

Do you really love my brother?

MARIA

Yes I love Rayvon.

AISHA

I just do not understand why you didn't marry another Puerto Rican.

MARIA

Does love really know color lines?

AISHA

Maybe and maybe not, but people do.

MARIA

And whose problem is that?

AISHA

From the looks of things yours!

EXT. AISHA AND SISTER PEACE RUNNING IN THE MORNING AS DAILY ROUTINE - MORNING

SISTER PEACE

So how is everything going girl, how is you nd your daddy getting along?

AISHA

Daddy is the least of my worries.

SISTER PEACE

Tell me what is bothering you?

AISHA

I do not know but I think Rayvon has a serious problem. He drinks everyday all day long, comes in drunk everyday. I do not know what that woman did to my brother but he is not the same.

SISTER PEACE

Oh Rayvon is just in a station of life, he has been under a lot of stress, I am sure he will get himself together.

AISHA

I do not know aunty, there is something wrong I know my brother even after being apart the last few years, he is not himself.

SISTER PEACE

Give it time! So how do you like working in classification out there in the prison?

AISHA

Well I like the steady hours and the office environment, I cannot complain.

SISTER PEACE

I am glad you are content with your job, not everyone gets to do something meaningful to them.

INT. IN THE LIVING ROOM AT SHARON'S HOME WITH PARENTS -
EVENING

SHARON

Me and Marlon is going to the store and will be back in a couple of hours.

MOMMA

So why don't you take your two children with you?

SHARON

I will be back!

Sharon walks out of the front door going towards her car, she has a pretty good used car, kind of big. Marlon is setting in the driver seat.

MOMMA

(Yelled)

You need to take care of your damn kids and stop running the streets with that sorry ass man. And he don't have a damn drivers license that illegal son of a bitch.

MARLON

She's a blood clod.

SHARON

Come on lets go start up the car.

Sharon hands him about \$200 and he adds it to a pocket full of money and smiles.

MARLON

Here is \$20, I am going to the club after I drop you off at the old man's house, he will spend money tonight on you.

SHARON

I have to fuck him?

MARLON

You know he likes head, but if you play it right you will not have to do anything he likes rocks, all you have to do is get him open with a few hits and take him for everything, then tell him you have to meet with your man and you will be back and leave him waiting until next month. Give me mine's and you can go and smoke your fucking brains out at the rock house.

SHARON

You make me feel so dirty.

MARLON

Save the bullshit for your tricks bitch.

They drive for about 10 minutes listening to Reggae music and he stops the car around the corner from the old man's house

SHARON

I am going to fuck him, then I will have him where I want him.

MARLON

If you fuck him, fuck him good, then
you can tell him good night instead
of goodbye.

SHARON

I can walk from here.

EXT. AT THE FRONT OF THE HOUSE OF THE OLD MAN - EVENING

She knock on the door of an old dirty house and the door is
answered by an old literally dirty man with a dirty mouth
and she is fine as hell, but she does not care and is
shameless.

SHARON

Hi Daddy! You going to let me in?

She walks into the house and he asked her why you never call
me by my name?

SHARON (CONT'D)

Daddy you want to eat my pum pum,
you give me some face and I will
fuck you silly tonight. I want you
Daddy.

OLD MAN DADDY

Really?

His eye opened up wide he was so excited.

INT. INSIDE OLD MAN'S HOUSE - NIGHT

In the bed together, you can tell they are nude but all you
see is her shoulders and his chest, she covers herself as
she gets up to take a shower as old man Daddy lays there
with a big smile on his face. She takes a shower and is
dressed.

SHARON

Good night Daddy, see you later.

Sharon walks out the door.

OLD MAN DADDY

See you later baby.

After see walks out, he raises his arms up high saying Thank

SHARON

Aisha hand Marlon \$200 and counts it to him.

SHARON

Just drop me off please. I know you
think small of me and is just using
me. I know you think I am a fool.

MARLON

You know nothing bout what I think.
I drop you off now.

They drive to the crack spot where crack addicts hangout
together and use and buy drugs. There are a few of them in
town.

INT. AT AISHA'S HOME - CONTINUOUS

JAKE

Thanks for the meal Aisha, you sure
can burn. One day you will make
someone a good wife.

AISHA

I guess that someone will be you
Jake. I think you are a true friend,
but I wish you would go back to school
and at least get your GED, before
you get yourself mixed up in something
wrong. Ain't you tired of living
with your momma?

JAKE

You have 2 no 3 bedrooms, why won't
you let me use one.

AISHA

Number one I have a roommate and number two
the man I live under a roof with, the next one
anyway will be my husband and if you really cared
about me Jake you would go back to school so
you can get a job, then maybe we could hold this
conversation. I thought we had an understanding.

Together in harmony they say, "No sex before marriage."

JAKE

I respect your wishes you know that
Aisha.

AISHA

So how long do you think I am going
to wait around. Ain't you tired of
pulling yourself, get a job man and
hold on to it for awhile.

JAKE

Maybe I am not smart like you.

AISHA

I did not say get a degree I said
get a damn GED. Is that asking too
much?

JAKE

No you are right Aisha. Are you
going to let me hold that?

AISHA

And I am tired of supporting you,
what kind of man always asked his
woman for money.

JAKE

I stopped slinging for you Aisha.

AISHA

For me, For me or for you damn self?
You are staying out of jail for me?
I do not know who is worst you are
the Puerto Rican.

JAKE

How about your brother who drinks
everyday?

AISHA

Do not go there, Rayvon served this country in
the army and gets unemployment and has his
own money in the bank. Don't go there Jake,
Rayvon is just going through a phase, but you
have been singing the same old song since I met
you. Here take this \$50 and go hangout with the
boys.

INT. AT THE CRACK SPOT - NIGHT

Sharon is sitting in the crack spot smoking crack from the pipe. The environment
is filthy loaded with people at the bottom of society, but it is orderly because it is

run by gangs who demand order and if someone get beside themselves they are gang banged and taken out of the area and put on the streets to keep the heat away, you see someone disorderly dealt with while Sharon is smoking and in a daze.

EXT. AT THE CRACK SPOT - CONTINUOUS

Jake approaches a two story seemingly a lounge make out of wood and needs a paint job, he walk to the front door where there is a bouncer standing there mellow music is playing. Jake show the bouncer the \$50 Aisha gave him.

JAKE

\$20, \$40, \$50, I have my \$50 is everything cool?

BOUNCER

How you always come with the minimum wage and hang out so damn long?

JAKE

I have friends?

BOUNCER

In this place? No way man!

JAKE

Sometimes it is not what you know but who you know.

BOUNCER

All right player!

INT. AT THE CRACK SPOT - CONTINUOUS

Jake walk into the crack spot, now the audience knows what he is all about, he walks to the table where Sharon is at.

JAKE

What's up friend?

SHARON

Jake Chill here take a hit, so my cousin done gave you some more of her hard earned money. She is too nice you shouldn't do her like take

Jake takes a hit.

JAKE

I do not fuck her or pimp her, I just talk to her feed into her dreams and I tax her small time. But you let Marlon treat you like a ho and bitch.

SHARON

But I am different, I am no good.

JAKE

I do not know Sharon but you do not belong here.

SHARON

Here?

JAKE

In this world, in this place, around people like Marlon.

SHARON

You are blowing my mother fucking high either get the fuck up or shout the hell up. There is the man.

The drug dealer walks up them.

DRUG DEALER

I already know you want a \$50 right, you minimum wage bitch. Now Sharon is a good customer I heard you fucking with her on my way here. Anymore shit out of you and you know, you get the treatment right out of here, understand bitch.

JAKE

I just want to get my rock on, I promise you will not hear another thing out of me.

SHARON

Sorry Jake but you was blowing my high.

JAKE

You almost go my ass kicked in here.

SHARON

Just chill man and lets mellow out, I got a few hundred to smoke up as long as you chill you are invited to hang with me and keep me company, now do you want to smoke or preach fool.

JAKE

Smoke!

SHARON

After the shit I did for this money, please do not blow my high.

JAKE

OK Sharon, let's chill.

They smoke crack together at the crack spot until they run out of money and crack at which time they are told they have to leave in 30 minutes after their table is empty of crack. They smoke a cigarette and leave quietly.

EXT. AT THE CRACK SPOT - LATER

JAKE

You do not have to call Marlon, I will give you a ride home.

SHARON

Thanks, but it won't look right, plus I pay that nigger good he will pick me up.

JAKE

Well I have to go in anyway.

SHARON

Like you have a job, Jake I know you want to be my friend, but you cannot be my friend and Aisha's friend also.

JAKE

We don't fuck!

SHARON

Is that what it is? You want some of this nasty ass pussy.

JAKE

Later Sharon, I will see you later
OK?

SHARON

Later Jake!

Sharon calls Marlon on the cell phone and smoke a cigarette as she waits, Marlon pick her up and takes her home and leaves her at the front of the house.

MOMMA

It's almost 2 o'clock in the morning and you said you would be gone 2 hours. You should be a shamed of yourself. No real man would keep a woman away from her children like this all the time. Go take a shower you stink.

SHARON

I am sorry momma, you just do not understand what I am going through everyday I am so tired momma.

MOMMA

Go take a shower, there is some food on the stove you just need to heat it up.

Sharon cries in sad scene, you see the hurt in her eyes and think it is because of her present actions, but momma hints to the problem but it is not given away yet.

MOMMA (CONT'D)

You know you cannot live in the past forever, you are only hurting yourself child. You are a child of God you just don't know it yet. We all have our trials and tribulations.

EXT. ABOUT 30 MILES OUT OF TOWN IN CITY CALLED LAKE WALES -
LATER

Jake goes to a nice size house and he gets the key from under the rug in front of the house and opens the door and walks in and a white woman in sexy lingerie approaches him.

JAKE

Baby I got here as soon as I could.

He walks up to her and French kisses her, picks her up and carries her to one of many bedrooms. Now the audience knows what Jake is all about.

INT. SISTER PEACE HOME AT A COFFEE TABLE - SATURDAY
AFTERNOON-

Sister Peace and Momma drink coffee together on Saturdays regularly and gossip. Sister Peace is the sister of Momma's husband Shotgun and Aisha's father Big Ray. Momma is in her 50's and Sister Peace is in her 40's they are about 10 years apart. They are seated at a coffee table, Sister Peace has a very nice house because she has a successful career as an educator at the college, she has a Master's Degree, but knows how to communicate both as a professional and a neighbor of not as educated people. Momma has a Associate Degree in Culinary Arts and is the head cook at the Church. Also what contributes to Sister Peace success is her husband is a successful Preacher and has the biggest Ministry in this small City.

SISTER PEACE

What is worrying you? I can see it in your face.

MOMMA

This coffee taste good. I do not understand what is going on with this family.

SISTER PEACE

Momma I do not understand this myself. I thought we would all be together and everything would just fall in place, but these children have gone crazy.

MOMMA

Between me and you sister, we have to do something, we have to get to the bottom of this craziness. Between me and you, please keep it to yourself, when Sharon was 12 years old Junior got her pregnant and she had to get an abortion, that is why your brother is putting up with her it is guilt.

SISTER PEACE

I knew there was something going on in her mind, because she was such a fine child and then one day she just went crazy. You should not have kept it a secret you should have found her some help.

MOMMA

Yea but her Daddy was worried about that fool going to jail, he was 22 years old when it happened, so Shotgun just sent him packing and never allowed him back in his home.

SISTER PEACE

It's not too late I know some people who are in the profession of psychology that can help her, she might need medications for awhile, but one thing for sure she needs professional help.

Momma starts to cry saying oh God what did I do to my child.

MOMMA

It gets worst, I think she is using drugs on a regular basis, she comes in smiling strange all late hours of the night and that man she be with, I do not know but he is no good. She is so beautiful yet so ugly, she has low self esteem.

SISTER PEACE

That Aisha she is running around with Jake he is not good, has no education not even a GED and he hits on her for money. It seems that low self esteem is running rampant in this family. She has never been the same since she lost her momma and then momma dead right behind her momma. She just ran the streets during her college years and hooked up with that man.

MOMMA

I hope she don't get AIDS!

SISTER PEACE

That is the part I do not understand, she says she is not sleeping with him and they are waiting to marry before having sex, but he does not seem to be that type of guy.

MOMMA

He is using her, just like Marlon is using Sharon. And Sister what the hell is wrong with Rayvon, he seems to have a fine wife she works and is in college working towards becoming a nurse and he has been drunk since he came home. I do not understand this Sister?

SISTER PEACE

There has to be something we can do, there has to be something.

MOMMA

I think we should hire a private investigator and have everybody check out. If we spy on my children it is only right that we make sure your perfect family is all it seems.

SISTER PEACE

I am married to a Paster and all my children do is hang out in the church and go to school, they are young children in grade school.

MOMMA

You should no better than anybody that everybody has demons. If the devil is in my home the home of your brother and the home of your other brother, what makes you think he stop there?

SISTER PEACE

I have a confession to make also, my home is not as happy as it seems.

MOMMA

Don't tell my Dr. Rev. Love don't give you any love Sister.

SISTER PEACE

It is not that.

MOMMA

You was never much for the streets, but you was always book smart, now how much sense does it make to you that a 50 year old man can't get it up with some help, they have all kinds of stuff out there.

SISTER PEACE

I think he is under a lot of pressure.

MOMMA

Sister it is more to that story, between me and you, don't mention it to any of the other family members, lets go to Orlando and hire a private investigation firm and get to the bottom of this mess, it is our duty as the women of this family to get to the bottom of what is going here, it is just not right. We will do this on our own do not tell your brothers or husband, they all will be checked out and you can have me checked out and I have you check out.

SISTER PEACE

But if we know we are being checked out?

They say together

SISTER PEACE & MOMMA

It will keep us honest

MOMMA

We will go to see a firm next week and say we are going shopping. We have to find the firm on our own not to tip anyone off.

SISTER PEACE

I will handle that, there is all types of information at the college and I am good at research I will find a good firm to do this job.

MOMMA

Agreed?

SISTER PEACE

Agreed!

INT. AT THE PRIVATE INVESTIGATION OFFICE IN ORLANDO, FLORIDA -
AFTERNOON - ONE WEEK LATER

The walk into this high tech office with surveillance cameras
and the works I leave this scene to the discretion of the
director.

RECEPTIONIST

Welcome to the Advance Surveillance
Investigations, INC. How can we
help you?

SISTER PEACE

First of all money is not an issue
as long as it is reasonable. I did
my research and have an idea as to
what I need and according to your
advertisement and a close friend
said your firm is up to the task.

MOMMA

Sister this was supposed to be between
us!

SISTER PEACE

You worry too much.

RECEPTIONIST

Well informed clients are our best
clients, this way we can cut through
the chase.

SISTER PEACE

I have everything I want typed up and itemized it
is detailed but it is not very complex. Basically it
calls for background checks and undercover
operations. I have the names or alleged names
of everyone we want investigated and recent
photographs of everyone as well.

RECEPTIONIST

Let me set you up for an interview,
sit down and relax it will not be
long and while you are waiting you
can fill out these forms.

MOMMA

Thank you.

SISTER PEACE

Thanks you.

They filled out the forms and gave a copy of what they want done to the receptionist, who personally takes it to the interviewing officer. After about 1/2 hour they are called in for an interview. They walk into an office with three people sort of like a small board and are asked questions.

INTERVIEWER 1

We understand what you want done and have a few suggestions but first we have to ask you why, are you investigation your own family

MOMMA

You ever heard the saying that your sickness are your secrets?

INTERVIEWER 2

I am a firm believer in that cliché, so you believe there are hidden truths that is the underlying cause to your family problems? And you admit Sharon was molested as a child and you Ms. Love has had no sexual relations with your husband for over a year, due to alleged stress problems, and is there anything else we should know?

MOMMA

Sharon is on drugs

INTERVIEWER 3

And Rayvon has been drinking since he returned from the military and you think there is more to this?

INTERVIEWER 1

This seems like a simple case, you just want background checks and an accountability check.

SISTER PEACE

Accountability check?

INTERVIEWER 2

Basically what they are doing on a daily, weekly and in this case for one month. We should have all your answers within one month according to the information you provided us, just keep this between us, they are all unsuspecting.

(MORE)

INTERVIEWER 2 (CONT'D)

Do not call us we will call you and for security purposes we will give you'll a couple of passwords that will identify our agents in situations that may make it necessary. You will be billed accordingly can you handle \$25G

SISTER PEACE

How much up front?

INTERVIEWER 2

50% up front and 50% at the time of the report.

SISTER PEACE

You have a deal! However there is one stipulation, I want you to break the news to the family all of us at one time, to include us. Will there be any additional costs?

INTERVIEWER 1

No additional costs as long as you setup the meeting.

SISTER PEACE

You have a deal! Sir this may sound strange to you, but I know in my heart that everybody has demons, and I know in my heart that something is wrong, very wrong!

They paid in the form of a cashiers check which is a service at the agency to conceal the clients.

INT. IN THE CAR ON THE WAY BACK HOME - EVENING

MOMMA

I hope we are doing the right thing Sister?

SISTER PEACE

It is done, now we went shopping, we got the stuff in the trunk, I have a safe deposit box to store the cashiers check we used to pay the firm and the receipt and remember what he said keep this to ourselves, and it will only take one month, try to be as normal as possible. You got it!

MOMMA

My lips are sealed.

SISTER PEACE

Basically there are going to do two things on everyone which is:

#1: Background checks on all the people on the list. In addition to the normal background checks there will be an investigation on Rayvon and Maria's military records called 201 files.

#2: Undercover surveillance on all involved and an investigation into Love's medical records.

MOMMA

\$25,000 is lot of money.

SISTER PEACE

I think we will be getting off cheap and it can save our family.

MOMMA

I guess you are right and they have a lot of people to investigate, I guess they have to get paid for their time and labor. And what was the password?

SISTER PEACE

"Satan's time is up."

They continued to drive home and gossip as the always do, Sister Peace dropped Momma off at her home and then went home.

INT. CIA HEADQUARTERS MCLEAN, VIRGINIA - NIGHT

At the CIA Headquarters in McLean, Virginia moments after Sister Peace and Momma visited the Advance Surveillance Investigations, INC. they came up on a data base, because Rayvon Johnson was put under investigation. Rayvon Johnson was a intelligence courier, meaning he transmits information, but he did not know he was a part of black operations. There were things about him that he was unaware of about himself, through the use of mind control. This was a major SNAFU and it was reported all the way up the ladder.

SERCET AGENT PARKS

Sir we have a major problem one of our major couriers have been compromised. Rayvon Johnson has been put under investigation.

ASSISTANT DIRECTOR RICHARDS

That is impossible, he is one of our untouchables, who gave the authority?

SERCET AGENT PARKS
Advance Surveillance Investigations,
INC.

ASSISTANT DIRECTOR RICHARDS
That is impossible we are ASI.
Someone has explaining to to here.

SERCET AGENT PARKS
His Aunts!

ASSISTANT DIRECTOR RICHARDS
What do you mean by his aunts?

SERCET AGENT PARKS
They put their whole damn family
under investigation, using private
investigators and they went to ASI.

ASSISTANT DIRECTOR RICHARDS
Is there a reason for this decision
known?

SERCET AGENT PARKS
Ms. Love a wife to a Preacher last
words at the interview was about
everybody has demons.

ASSISTANT DIRECTOR RICHARDS
Is this about their religion?

SERCET AGENT PARKS
I do not think so, I think Rayvon's cover backfired
and the whole family is just in shambles and they
are just concerned and can afford to hire help.
The good thing is they went to our agency I say
we give them a feed and control the investigation.

ASSISTANT DIRECTOR RICHARDS
What about Arlington?

SERCET AGENT PARKS
I am sure the Department of Defense will
cooperate, but there is a screw up in the works.
He was supposed to reenlist after his drunkard
spree. The plan was he get drunk for 6 months
do not look for a job, blew his money and reenlist
in the Army. His wife is one of ours and she was
going to support and influence the decision.

ASSISTANT DIRECTOR RICHARDS
OK you contact the Advance Surveillance
Investigations, INC. in Orlando, Florida, the DOD
in Arlington, Virginia and the FBI in Washington
(MORE)

ASSISTANT DIRECTOR RICHARDS (CONT'D)

DC and do not leave the Secret Service out of the loop, this guy belongs to the President. If shit has to hit the fan we have to control it, on this one you report directly to me, no leaks, this is big Secret Agent Parks and even I do not know exactly how big yet. I have to personally visit the White House and the Pentagon to measure the magnitude and until then nobody makes a move and I mean nobody, understood?

SERCET AGENT PARKS

Yes sir!

ASSISTANT DIRECTOR RICHARDS

There will be no questions answered any further at this time. Dismissed.

EXT. AISHA AND SISTER PEACE RUNNING IN THE MORNING AS DAILY ROUTINE - MORNING

As they are tracking as they do 5 days a week, Aisha tells her aunt a little bit about her suspicions due to a dream she had. Aisha was always known for being very spiritual.

AISHA

Aunty something about that Puerto Rican just does not meet the eye.

SISTER PEACE

You want me to be honest with you, a lot doesn't meet the eye.

AISHA

No aunty Peace I had a dream and it was so real there is danger in our home.

SISTER PEACE

Just give it time everything will be alright.

AISHA

Aunty there is something about that girl I feel it, maybe it is all a dream, I hope so, but it seemed so real, she is not right and I am not saying this because she is not black, this is something I feel in my heart.

SISTER PEACE

Everything will be alright, trust me, you do trust me, don't you?

AISHA

Yes aunt Peace I trust you, you have always been there for us.

SISTER PEACE

Can I ask you something?

AISHA

What do I see in Jake?

SISTER PEACE

He is a waste of your time girl,
can't you see it?

They continue to run and the scene fades away.

You see Aisha pull off to work in her car, then you see Maria pull off to work in her car, then you see Rayvon vomit in the toilet bowl and then to see Big Ray in the kitchen.

BIG RAY

That is one crazy son of a bitch, he cannot be my son.

EXT. IN THE HOUSE IN THE LIVING ROOM - MORNING

Big Ray walks out of the kitchen to the living room and Rayvon comes into the living room behind him, the television is on CNN. Commercials are on and before the conversation between Big Ray and Rayvon, you here the commercial about the Movie "the Son of the Made Man," Starring Michael Jackson as the Son coming to theaters near you, a must film.

RAYVON

Can I change the station all they talk about is the war.

BIG RAY

Sure son, are you still living in the war?

RAYVON

I don't know but time flew by, I blew about 5G out of \$10G, it has been 4 months and I have not even looked for a job, for some reason I am compelled to drink every damn day I have fucking nightmares, I am married to a damn stranger, I don't know what the fuck.

BIG RAY

Maybe you have Post Traumatic Stress Disorder and need to go to the VA for help?

RAYVON

I am fucking rewired man, fucking rewired and I know it; I just do not understand why or what the fuck is going on anymore, I am so fucking far gone.

BIG RAY

Let me take you to the hospital for help!

RAYVON

No! Fuck no! This is why I am reluctant to talk to anyone, because nobody will believe anything I have to say. I know you think I am a drunk and I am crazy, those fucking bastards made me crazy. They pick my fucking number out of a hat and they

(yelling)

Literally fucked me, they raped me daddy, they fucking raped me for no damn reason and now they are dead and nothing happened. Fucking why man because they rewired me and I do not know why.

BIG RAY

I do not know what to say, I know the government are crooks, but this is shit you read about, it never happens to you or your own.

RAYVON

Don't say nothing just listen and help me think this out because I do not know what the hell is going on anymore. I mean I hate the fucking Army, but all I can think about is reenlisting. The Army is my revolving fucking door.

BIG RAY

You plan to go back in and you hate that shit.

RAYVON

I am a trained fucking killer, that is all I am now, I thrust for blood. Something is fucking very wrong and I cannot stay sober long enough to figure the shit out, I am fucking REWIRED! Let me get a damn beer out of the refrigerator. Daddy man, you know me, I had my grudges with you, but this is bigger than that they mind fucked me.

BIG RAY

Rayvon I believe you and we may all be in danger. Look I hate your drinking habits but between me and you, now this is between me and you, while they are gone to work and school, you do your drinking in the house and you talk to me and tell me everything and I mean everything. Two heads is better than one especially if one is drunk and as you said it yourself brainwashed, to the point you are doing things and want to do things against your own will. Listen to me you do not drive anymore, you do not hang up the streets so people can talk about you, Rayvon you have to trust someone and it cannot be a stranger and never tell her that.

RAYVON

Daddy man I am rewired, not stupid, she is fine she is a good fuck and beautiful person, so I asked myself, why in the fuck is she with me? I do not deserve Maria! Not in the condition I am in or was in when I married her, this cannot be right! I never trusted her, I just married her because I thought it was a good fucking idea. I have been mind fucked!

BIG RAY

OK Rayvon now I am confused. Let me think about this, we will talk again tomorrow or better yet a little later in a few hours, I believe you because Aisha always had an imagination, but you just have strong feelings and yes I abused your momma. You are not crazy you saw what you saw but Aisha, if this was Aisha I would wonder but you Rayvon was always down to earth. I believe you saw and see what it is for what it is worth. I just do not know where this is going to lead to.

EXT. IN FRONT OF AISHA'S HOUSE - NIGHT

Maria goes to Aisha's house and rings the bell and Aisha hear the bell and know it is Maria because she requested that she come over to have a talk.

AISHA

That is you Maria?

MARIA

Yes it is me!

Aisha opens the door and lets Maria in.

AISHA

Have a seat and make yourself comfortable.

MARIA

Come on I was raised in New York City too, please do not play yourself, you do not like me because I am Puerto Rican, just say what it is you have to say.

AISHA

Oh so spunky are you?

MARIA

I am not afraid of you Aisha, just because you work at the prison? I been to war!

AISHA

In the rear!

MARIA

And you is in the office, classifying people.

AISHA

OK to the point, let me ask you one question. Give me three reasons why you love my drunk ass brother?

MARIA

I am out of here, why don't you ask yourself that question?

AISHA

I knew him all my life and we have the same blood running through our vein.

MARIA

That is two reasons!

AISHA

He is my brother.

MARIA

That is still two reasons, so he is
your blood brother.

AISHA

And he loves me. Now you give me
just one reason.

MARIA

Your love is prewar, mine's is
postwar, we have an understanding
that you can never be a part of.

AISHA

So what are you telling me this is a charity case,
he told me about your being adopted and feeling
you had no one until him and personally I think
that is all bullshit. What do you want from him,
hell what does he even have that you do not have
and do not say family, because I do not like you
and you got that right.

MARIA

I am out of here.

AISHA

Go!
(to herself she says
after Maria leaves)
That girl got game, she ain't right?

INT. AISHA AND SISTER PEACE RUNNING IN THE MORNING AS DAILY
ROUTINE - MORNING

AISHA

Aunty I had a short discussion with
Maria and she is not right the girl
has game.

SISTER PEACE

Oh Aisha you are going to ruin it.

AISHA

Ruin what.

SISTER PEACE

Stop for a moment.

They stopped running and Aisha put her hands to her side.

AISHA

Ruin what aunty?

SISTER PEACE

You have to promise not to mention a word to anyone especially Momma and Sharon, no, you have to keep this between me and you. Do I have your word?

AISHA

Yes you have my word, you can trust me with your secrets.

SISTER PEACE

We are all under an investigation.

AISHA

My God why and how do you know?

SISTER PEACE

Me and Momma did it, there is too much going on in our home and we just wanted to get down to the bottom of it.

AISHA

You what? How could you?

SISTER PEACE

It is done and there is no turning back, you can whistle blow or sit back and see what turns up.

AISHA

Let finish our run, you was always there for us, thank you and thank you for your honesty, why didn't you tell me sooner?

SISTER PEACE

It is a long story.

AISHA

I am all ears!

This action is of the highest priorities, confidentiality level is top secret and we cannot fail this is of the nature of national security. Gentlemen it is that serious that nothing and I mean no corrective actions to any and all situations will be taken without the approval of the White House. Agent Garret you have the floor.

SPECIAL AGENT GARRET

It is a simple solution to a complex situation. We have been given joint intelligence administrative privileges. We have access to just about every database necessary to perform surveillance and and background checks at all levels and that is what we are required to do. Gentlemen we have at our exposure the ability to see the date on a dime in the middle of a forest and hear a pin drop at a Rock Concert, well not outright but we have some of the highest technological equipment at our exposure for 30 days.

SERCET AGENT PARKS

So exactly what is the mission?

SPECIAL AGENT GARRET

Investigate and feed information to the Advance Surveillance Investigation, INC. which I understand is one of your civilian operations. Basically we are going to do their investigation and feed them on a need to know basis. We are authorized to shed light on everything but that Rayvon is an intelligence courier and his wife and Agent observer, this two factors have to be concealed. Sir I am done.

ASSISTANT DIRECTOR RICHARDS

Get to work immediately. Outline a plan of action and I will approve it ASAP with modifications only if absolutely necessary which means it is outside the boundaries of the protocol. Your job is to find out everything most is a matter of review and take no actions but submit your corrective suggestions by all means. Dismissed1

The two walks out discussing ideas Asst. Dir. Richards stares into the camera with the most serious look the scene is to tell the audience the seriousness of the situation at hand.

White House in parallel. All
information acquired should be mission
oriented. Now get to work.
Dismissed!

Rayvon opens the door and sees Sister Peace in the car.

SISTER PEACE

RAYVON

BIG RAY

EXT. IN FRONT OF SISTER PEACE CAR - NIGHT

SISTER PEACE
Get in the car, just get in man.

INT. INSIDE OF SISTER PEACE CAR. - NIGHT

They pull off.

BIG RAY

BIG RAY
In that case lets stop at the
Supermarket on the 27.

They head to the Walmart Super store in the next town Sebring,
which is about 10 miles south from Big Ray's house.

SISTER PEACE
I don't know where to start Big Ray.

BIG RAY
Start at the beginning!

SISTER PEACE
Did you know Junior molested Sharon
and she had to get an abortion when
she was 12 years old?

BIG RAY
This is the first I heard about it.
I know Junior was a pervert but I
never heard anything about this.
But it makes sense!

SISTER PEACE
It don't make any sense Big Ray. It
doesn't make any sense at all.

BIG RAY
It explains why Shotgun puts up with all of her
bullshit.

(MORE)

BIG RAY (CONT'D)

They kept this shit secret all of these years and it explains why she is acting out. Damn the supermarket, let's go see Shotgun.

SISTER PEACE

But I promised Momma I would not say anything.

BIG RAY

Everybody knows damn well you cannot keep a damn secret. Telling you something is like yelling on the damn rooftop. Now let's go see Shotgun, damn it!

They turn around and head back to Avon Park to see Shotgun and Sister Peace tells him everything to include the investigation.

SHOTGUN

What are you talking about.

MOMMA (O.S.)

He knows Shotgun, now everybody knows, Sharon suffered long enough.

BIG RAY

Why Shotgun, why?

SHOTGUN

I didn't want my son to go to jail.

BIG RAY

Fuck that punk ass bitch, get your
ass in the damn car and let's find
Sharon.

Shotgun goes in the house and gets his sawed off shotgun.

SHOTGUN

I fucked up Big Brother, I have a
wrong to try to right.

BIG RAY

Not like that man, we will get that
son of a bitch Marlon on our time on
our terms, but we might need that,
in fact Sister let's double back to
my house, so I can get my heat.

They headed to Big Ray's house.

EXT. IN FRONT ON BIG RAY'S HOUSE - CONTINUOUS

BIG RAY

Keep the engine running! In fact

I will be right back.

Sister Peace gets out of the car and goes to Aisha's house.

INT. AT AISHA'S HOME - CONTINUOUS

AISHA

Aunty what is going on?

SISTER PEACE

Oh Lord what did I do. What did I
do?

AISHA

You told my daddy that stuff you
told me. Why did I ask everybody
knows you cannot keep a secret. You
was always there for us aunty!

SISTER PEACE

You think I did the right thing?

AISHA

I think you did the only thing, you
don't think Momma knew you could not
keep a secret? Everybody knows Sister
Peace can keep no secrets.

EXT. IN FRONT ON BIG RAY'S HOUSE - CONTINUOUS

Big Ray gets into the car on the driver side.

BIG RAY

Now lets go find that girl Damn it!

EXT. IN THE STREETS - MOMENTS LATER

They pull off to find Sharon. They travel around town asking people about where do Sharon and Marlon hangs out together and they came across a young woman called Jill that hangs out in the same place and knows who Sharon is.

JILL

I know that red bone girl Sharon and her pimp Marlon. They drive together but they do not smoke together.

SHOTGUN

You mean Marlon pimps my girl, what she takes from us is not enough.

JILL

Mr. I do not want to offend you but Sharon is such a pretty girl but she goes to bed with anything with legs on it.

Shotgun head bows down as he shakes his head in shame and then says.

SHOTGUN

Big Ray I did not know man.

BIG RAY

Remember we will deal with this on our terms at our time, be cool man this has probably been going on for a some time now.

Then he directs himself to Jill and asks here.

BIG RAY (CONT'D)

So young lady where can we find my niece?

JILL

I am not petty like Red Bone the men do not spend on me like her, I will show you the place for \$50, but you have to let me out around the corner, she is probably there right now.

BIG RAY

You got it but why \$50, why not \$20,
or \$100, what is so damn special
about \$50.

JILL

That is what it cost to get in, you
show them \$50 at the door and they
let you in and you have to buy a \$50
piece . After you smoke up your
crack you have a half of an hour to
leave. I come and go and Sharon be
there still she is a big spender.
Sometimes she be alone and sometimes
she be with this dude Jake, he is
the only person she lets smoke her
shit for free.

BIG RAY

Jake? Jake who?

JILL

You'll sure be new in town. Mr. you

BIG RAY

Yea she is my niece and his daughter,
why you ask.

JILL

Man I heard you'll from New York
City, but these country folks are
making fools out of you'll folks. I
heard about you folks. You Aisha
daddy ain't you and you don't know
Jake? Jake Greene!

BIG RAY

You mean that dumb son of a bitch
uses crack too?

JILL

He is playing you'll book smarts don't make you
smart. Everybody knows Jake gets high, he used
to sell it until he messed up a package, I would
buy from him. He got Aisha here and a white girl
in Lake Wales, they say he makes his rounds.

BIG RAY

What do you mean, by make his rounds.

JILL

You'll from New York City and don't know. Just
follow him when he leaves the crack spot.

(MORE)

BIG RAY

Get in the car girl, what is your name.

JILL

My name Jill!

INT. IN THE CAR - MOMENTS LATER

They drive to the crack spot Jill hides in the car and they take her around the corner down the block.

JILL

The best time to catch them her is on Friday night, especially every other week, they might not be there together next week but jake will sure be there the week after. I hate Jake he made me suck a dog's dick for a rock one time, he is evil and uses people. Now you know where they be but they have guns in there, you have to careful, they are protected by the man and everything, you can't just run up in there like hillbillies.

BIG RAY

Here is your money girl, but you need to find help.

JILL

That's \$100, no I said \$50 thank you. Help your child Red Bone.

SHOTGUN

Thank you again.

Jill gets out of the car and they start talking about what to do.

BIG RAY

Shotgun this is worst than I thought.

SHOTGUN

When it was Sharon it was in our time.

BIG RAY

Damn man this is going to break Aisha's heart.

SHOTGUN

What are we going to do Big Ray.

BIG RAY

Let's head back and get Sister and tell her we could not find her and find out what else she knows. On the way to your house sister told me about an investigation she put the family under. And my son Rayvon, thinks he is involved with some government shit.

SHOTGUN

What do you mean.

BIG RAY

We might be under observation right this moment and no telling by who. We have to watch what we say and do from here on and we cannot get impulsive.

They head back to Aisha's house to pick up Sister Peace to take her home and clarify their understanding of what she was saying.

EXT. IN FRONT OF AISHA'S HOUSE - MOMENTS LATER

They pop the horn yell sister.

SISTER PEACE

You find that girl

BIG RAY

No, we could not find her.

SHOTGUN

She will come home tonight, she always do.

BIG RAY

Come on and get in your car and go home, Shotgun take my car and follow us and I will take you back before I go home.

INT. IN THE CAR - CONTINUOUS

Shotgun get Big Ray's car and Sister Peace get in the front passenger seat.

SISTER PEACE

I told my husband I will be in late I was waiting for you'll to get back.

BIG RAY

Sister you have to stop talking so damn much, I am not talking about letting your husband know you be in late but all these things you told me about the investigations and shit, we have to talk in private just me you and Shotgun tomorrow, there is more going on than you know trust me, stop the gossip I mean it.

SISTER PEACE

I have the keys to a conference room at the church, I use for a women's group we can meet there tomorrow, what time. My group start at 2 pm

BIG RAY

9 am, before anyone starts to arrive, we need about one half an hour to a hour I guess, I just want you to explain this shit to Shotgun, so we will all be on the same page.

They arrive at Sister Peace home and they leave in Big Ray's car to Shotguns.

BIG RAY (CONT'D)

Shotgun we have to keep the women in the dark, we might need Rayvon, he told me some deep shit. We meet with Sister at 9 pm at the church, then we have to meet with Rayvon, then we will know where to go with this.

EXT. IN THE CHURCH CONFERENCE ROOM - MORNING

They met with Sister Peace for about 45 minutes and they leave the church conference room, as the audience sees them talking and the clock moving from 9:00 am until about 9:43 am then they leave back you Big Ray's house.

INT. IN THE FRONT OF BIG RAY'S HOUSE - CONTINUOUS

They get out of the car and walk into the house and Rayvon was waiting for them in the living room.

RAYVON

The Superwoman is gone we can talk, she left to work.

BIG RAY

How does she do it, she works damn near full time goes to school full time, gets excellent grades and has time for your drunk ass.

RAYVON

I do not understand this shit daddy.
What's up uncle?

SHOTGUN

Rayvon!

BIG RAY

OK, lets talk about our situations at hand. Then we have to make a plan and we do not have time on our side. I already filled in Shotgun, you do not have to relive that mess again, but now we have to fill you in on some shit. Rayvon in a nutshell, your aunty Sister put the family under background checks and surveillance, you cousin Sharon is a crack prostitute for that West Indian bastard Marlon and did you know Jake is a crack head and has him a bitch on the side? This town must think we are a bunch of damn fools.

SHOTGUN

Not for long!

RAYVON

If there is anything I learned in the Army is how to be deceptive, we cannot start being smart we have to continue to play dumb and than use the element of surprise to our advantage.

BIG RAY

He is right Shotgun, but the only missing link is who in the hell is Maria?

SHOTGUN

We have to find out that, if nothing else.

RAYVON

We have but one choice and that is to approach her.

BIG RAY

Either she is a damn fool or the inside person, if Rayvon is engaged in anything. Aisha said she is smart and has game, that may well count out the fool, therefore she has to have a motive to be fucking with this drunk ass fool.

RAYVON

That is what is my concern, what does she see in me?

BIG RAY

OK, I know what we have to do, we will approach her when she gets home this evening, this is how we will do this.

Big Ray explains to them how they will approach her after work that evening.

INT. AT MARIA'S JOB AT THE HOSPITAL - AFTERNOON

Secret Agent Parks and Special Agent Garret walks up to Maria and says.

SERCET AGENT PARKS

How is our old friend Maria?

SPECIAL AGENT GARRET

How is our old friend Maria?

MARIA

I go to lunch in about 15 minutes meet me in the parking lot.

SPECIAL AGENT GARRET

No! Go to Burger King and and a guy will be handing our surveys, he will hand you a questionnaire under the survey go into you car eat and answer the questions and read the instructions and we will be on the same page. Just hand it back to the man you got it from before to come back to work.

SPECIAL AGENT GARRET (CONT'D)

Good meeting you again
(yelled)

INT. WALKING OUT OF THE BURGER KING FAST FOOD RESTAURANT - AFTERNOON

She walks by the survey man and get a survey and under it is paperwork for her to fill out. She gets in her car and pulls out a clipboard and answers the questions and notice in the instructions Rayvon and the whole family is under an investigation initiated by Sister Peace and the CIA is handling it for national security purposes.

MARIA

God Damn! This was not a part of
the deal!

She gets out of the car throws her garbage away and hands
the survey back with the paperwork concealed underneath it
and drives back to work.

MARIA (CONT'D)

My God poor Rayvon

INT. IN THE MAIN HOUSE IN AVON PARK FLORIDA - EVENING

Big Ray, Rayvon and Shot Gun sits in the living room waiting for Maria to come
home to approach her they figured that she is either stupid or in on something and
she is not stupid so she must know something and their strategy is to be as vague
as possible to try to trick her into telling them something they do not know, they
plan to pull a bluff.

Maria pulls up turns off the music, locks the car doors and
walks into the house and immediately noticed them sitting
there.

MARIA

Hi!

Before she can complete the sentence Big Ray talks.

BIG RAY

We know everything Maria, there is
no sense in you pretending anymore,
we know everything about

MARIA

Oh shit!

RAYVON

Aunt Peace was right, she put you
under investigation.

MARIA

What?

RAYVON

My aunt put the family under
investigation and we know everything
about you.

MARIA

What you know about me Rayvon? In
fact what do you know about yourself?
Are you a drunk Rayvon?

BIG RAY

I sorry Maria, we did not mean anything, but what do you see in Rayvon?

MARIA

It was not supposed to happen like this, this was not supposed to happen.

BIG RAY

What was not supposed to happen girl, the marriage are you pregnant?

MARIA

What are you all a bunch of Country ass New Yorkers? Wake the hell up! Look I am going to open your eyes, because this has gone too far.

BIG RAY

What are you talking about Maria?

MARIA

I am an agent undercover. Don't say nothing just listen, because you need to know what is going on and who you are fucking with, just listen.

MARIA (CONT'D)

Rayvon I really care about you, but I am an undercover agent and you Rayvon is a very gifted young man and because of this the government uses you as a intelligence courier. They control half of your mind so to speak and they use you to calculate and manipulate information.

RAYVON

I don't believe this shit!

MARIA

You better!

RAYVON

That was a figure of speech, I smelled a fish I just did not know what.

MARIA

No more interruptions, just listen to me because time is not on our side.

RAYVON

Our side?

MARIA

Our side Rayvon, are you stupid, I just gave up my cover, but I know how to keep us alive. Why I gave up my cover? I am expendable as of today, this is business!

MARIA (CONT'D)

OK! Now listen carefully. I am an undercover observer and my job is observe you Rayvon. Those dreams you be having, they are not as fictitious as you may think. First of all I know you'll do not know shit because I was contacted today and was told about your aunt's investigation, whose firm is on a feed by the CIA and Secret Service.

BIG RAY

Feed? What is a feed?

MARIA

The Agency is feeding information to the Advance Surveillance Investigations, INC a CIA civilian operations. Everything that will come to you'll will come from the government and not the people you hired. And that is how I know you know nothing yet, because the operation goes into full effect tomorrow.

BIG RAY

Operation? What operation?

MARIA

Whatever aunt Peace paid for you are going to get it, but it will be done by the agency, they say Rayvon is the best at what he does, which is to manipulate information, develop it and inform and I know this is something real big.

RAYVON

(Yelled)

Those bastards, those fucking bastards, they mind fucked me.

BIG RAY

Damn that what do you know man.

RAYVON

I have these repeated dreams about stem cells and the fountain of youth, where mankind will live 150, 200 even perhaps 300 years, because of

(MORE)

RAYVON (CONT'D)

the secret to the DNA, but it is just a dream

MARIA

No Rayvon is is not just a dream, that is your mission it is the fountain of youth. Now you know Rayvon, now you know? All of that drinking was to keep you in the dark, when you go on covert operations you think you had a black out and you drink so much you really do not know. Our lives depend on you staying sober.

They continue to talk for about 3 more hours and you see the clock go from 6:00 pm to 9:00 pm.

BIG RAY

OK: Rayvon is the key to get us out of this mess, but we have other issues to address. How do we deal with Marlon and Jake?

RAYVON

If Maria is on target I am an untouchable, that is why I got away with that shit in Germany and rid the scum that rape me and set me up.

MARIA

Rayvon I didn't know!

RAYVON

We will discuss it later. Daddy, Uncle, let me fry this fish, I know everything I need to know now and they fucked with the wrong family. What was said here stays in this circle and don't you dear tell aunt Peace, she can't keep a secret and her Aisha and aunt Momma talks and gossips about everything and for this to go down they can never know.

MARIA

You can't keep me out of the loop Rayvon.

RAYVON

For this to work we need normalcy.

BIG RAY

I will take you home Shotgun

RAYVON

Uncle be cool and let me fry this fish.

SHOTGUN

That is my daughter Rayvon, if you cannot I will.

RAYVON

No you cannot and I can and that you have to understand this is no sacrifice, back down and let me do what I was trained to do for the right reason this time.

BIG RAY

It is settled, let's go Shotgun.

INT. IN THE FRONT OF SHOTGUNS HOUSE - NIGHT

BIG RAY

I want your word Shotgun, promise me!

SHOTGUN

You have my word.

INT. INSIDE THE LOVE MINISTRIES CHURCH - SUNDAY-MORNING

Rev. Dr. Love gives a sermon about how everybody has demons, the whole family is at the service to include Sharon, but Jake and Marlon were not there and are not a part of the family. They are all seated in the same section, as the master plan is about to unfold.

REV. DR. LOVE

My brothers and sisters, to the sick and the healed, know that we cannot just save the saved, but we have to save the sinners also. We were all pure at some point in life be it as an embryo at conception. Let us not get scientific, but let us talk about the inner being of every man woman and child. Everybody has a demon; everybody has a secret or something they did that they are not proud of or was done to them. I am here to tell you that good people can do bad things because bad things were done to them and not because they are bad people.

A person may have been given up as a child at birth because their momma was not ready to raise them and because of that feel unwanted. A person can have death in the family and want to play momma themselves and as a result become codependent and subjected to be misused and abused by men.

(MORE)

REV. DR. LOVE (CONT'D)

A person can be molested as a child and lose all of their self esteem and sell their body for a high to forget the pain, but only hurt themselves further. A person can be raped and feel so ashamed that they stay intoxicated to numb the hurt. Can anybody identify with what I am saying, I know this because somebody cannot keep a secret, but your secrets are your sickness. Praise the Lord! Everybody has a demon and brothers I am here to tell you that the truth will set you free!

Rev. Dr. Love calls on people to confess and receive the holy spirit in the name of Jesus Christ.

Rayvon jumps up and starts praising the Lord, like if he received the holy ghost, jumping up and down acting crazy

RAYVON

(yelled)

Thank you Jesus, Thank you Jesus.

Then he start talking in tongues making no sense whatsoever, but the congregation got excited and they started praising the Lord. Then the music started with Aisha at the piano.

INT. CIA HEADQUARTERS MCLEAN, VIRGINIA - CONTINUOUS

Watching the outdoors of the church and looking through the tainted glass they see Rayvon via satellite and can hear everything as if they had eavesdropping device inside the church they watch and listen. You see a high technology conference room with a bunch of flat screens and computers connected to a satellite as they see and hear everything.

SPECIAL AGENT GARRET

I do not believe this shit.

SERCET AGENT PARKS

This shit cannot be, this fucking crazy mother fucking killer found God?

SPECIAL AGENT GARRET

I thought the fucking guy was God.

Aisha goes crazy on the keyboards playing the hell out of the piano.

AISHA

Rayvon found the Lord, thank you Jesus!

Ac 9:4 He fell to the ground and heard a voice say to him, "Saul, Saul, why do you persecute me?"

Ac 9:5 "Who are you, Lord?" Saul asked. "I am Jesus, whom you are persecuting," he replied.

AISHA

Rayvon?

SISTER PEACE

Get up girl, what is wrong with you.

AISHA

Nothing I am alright.

SISTER PEACE

You got 15 minutes.

Aisha goes towards bathroom to get ready to exercise, then you see them running. MARIA

So what is next Rayvon

RAYVON

I think I will take that offer at the Correctional Institution and change uniforms, I think I will make a good C.O.

MARIA

Just remember to put God first.

RAYVON

Have a safe trip to work, we can talk later.

Rayvon turns his attention to Big Ray and looks at his ring that represents Freemasonry, this is the first time the audience actually sees the G on his ring being Big Ray. Big Ray twists the ring back and forth with his right hand, wearing the ring on his left hand.

RAYVON (CONT'D)

Big Ray do you understand the significance of the Apostle Paul?

BIG RAY

He was the greatest apostle to ever live.

RAYVON

That is not the significance, what is important is you wear that on your heart, to be a head and not a hand, but they will be my ears and eyes.

BIG RAY

The all seeing eyes are everywhere, watching everything at all times

RAYVON

And for that reason the truth will come to the light.

BIG RAY

In the Lord's time!

RAYVON

Exactly and by then all his enemies will be under his feet.

BIG RAY

And may they all rest in peace.

in that town different locations are shown at different times
of the day and you see a man twist his G ring with his right
hand on his left finger, but you do not see his face, just
his hand and finger with the Masonic ring.

EXT. OUTSIDE THE LOVE MINISTRIES CHURCH - AFTERNOON

The local police came to the church and spoke to Sharon,
Momma and Shotgun and told them about Marlon.

LOCAL POLICE

Mr. and Mrs. Johnson and Sharon
Johnson we are sorry to inform you
that there has been a murder in the
driveway of your home.

Surprised Sharon replies:

SHARON

Marlon is dead?

MOMMA

The Lord works in mysteries ways,
that man was evil as sure as there
is evil and he got what was coming
to him. He was not there when we
left to church and we all were in
church praising the Lord. We do not
know anything officers.

LOCAL POLICE

We believe you, we just wanted to inform you
that your residence is an investigation scene and
(MORE)

LOCAL POLICE (CONT'D)

we did not want you all to be shocked by the graphic scene there is blood everywhere the car will be moved as soon as the area is checked out.

SHARON

Poor Marlon, poor Marlon, Lord knows I did not want him to die.

MOMMA

He was an evil man, do you think he would have let you go?

SHARON

You sound happy that he is dead.

MOMMA

No I am saddened maybe the Lord could have touched him also, but the Lord works in mysterious ways Sharon and now I do not have to worry about you being hurt for choosing a new life style. You have to let go Sharon, don't be the slave that mourns over the death of her slave master.

SHARON

I am tired of hating Momma.

MOMMA

I did not say hate I said let go and move on, everything happens for a reason in the Lord's time.

SHARON

Yes Momma and thank you sir, the scene would have shocked me but now I am prepared, thank you.

EXT. AT THE FRONT OF BIG RAY'S HOUSE - AFTERNOON

Rayvon goes to the mail box and gets about 15 pieces of mail.

THE MAILMAN

Today must be your lucky day.

RAYVON

Ask and it will be given to you; seek and you will find; knock and the door will be opened to you.

THE MAILMAN

I am not a religious man but I am certainly glad you put down that damn bottle, because we all have a purpose in life and it is not to be the town's drunk.

He takes his right hand and twists the G ring on his left finger and then says.

THE MAILMAN (CONT'D)

I hope you find what you are looking for.

RAYVON

Then you will know the truth, and the truth will set you free.

THE MAILMAN

I have to finish my run good luck man.

RAYVON

Thanks!

EXT. CIA HEADQUARTERS MCLEAN, VIRGINIA - CONTINUOUS

As they watch and listen in on the conversation they start to get suspicious but realize they were a little too late.

SPECIAL AGENT GARRET

What the hell are they talking about?

SERCET AGENT PARKS

The real question is what in the hell did he just hand him. Something just is not right

SPECIAL AGENT GARRET

I agree, we have to watch this guy closely. I think he is making moves, but what is he up to hum!

You see the situation room and all the technology at their disposal, then you see Rayvon read his letters and shred them to confetti and put the confetti in a big pot and burn it in the yard.

SERCET AGENT PARKS

We underestimated this guy, now he has a step on us. It makes me wonder if Agent X is playing both sides?

SPECIAL AGENT GARRET

I do not know but like you said,
something just is not right.

INT. IN THE HOUSE IN THE LIVING ROOM - CONTINUOUS

In the living room are Big Ray, Shotgun and Rayvon. Both Big Ray and Shotgun twists their G rings and Rayvon says.

RAYVON

The truth has come to the light and
at best it is disturbing.

BIG RAY

Well son the truth is the truth what
happened, has happened you cannot
change the past.

RAYVON

The kingdom of heaven is like a man
who sowed good seed in his field.
But while everyone was sleeping, his
enemy came and sowed weeds among the
wheat, and went away.
When the wheat sprouted and formed
heads, then the weeds also appeared.

BIG RAY

The owner's servants came to him and
said, 'Sir, didn't you sow good seed
in your field? Where then did the
weeds come from?

SHOTGUN

An enemy did this, he replied. "The
servants asked him, 'Do you want us
to go and pull them up?

BIG RAY

No, he answered, because while you
are pulling the weeds, you may root
up the wheat with them.

RAYVON

Let both grow together until the
harvest. At that time I will tell
the harvesters: First collect the
weeds and tie them in bundles to be
burned; then gather the wheat and
bring it into my barn. So it was
said? The three agreed!

INT. IN THE HOUSE IN THE LIVING ROOM AT SHOTGUNS HOMES -
SUNDAY-MORNING

Momma was cooking breakfast as the family was preparing to go to Church as they do every Sunday it is the Johnson family tradition to go to church, regardless to how they behave during the week. Sharon and her two little boys were getting dressed and Sharon had a look about her that morning like something happened to her and she was ready to turn her life over to God. Her inner and outer beauty shined that morning, you would have never known she lived the life she lived so many years, she looked like a different person and paid attention to how she dressed that morning.

SHARON

Momma I am tired of living my life the way I have been living it, why the Lord touched Rayvon and didn't save me?

MOMMA

Well sharon let me ask you one question? Do you Love the Lord your God with all your heart and with all your soul and with all your mind?

SHARON

Yes Momma!

MOMMA

One more question. Do you Love your neighbor as yourself?

SHARON

Yes Momma!

MOMMA

Now I will let you in on a secret. All the Law and the Prophets hang on these two commandments. You are already saved girl, you just have to let the Lord take the drivers seat.

SHARON

But I want to receive the Holy Spirit like Rayvon.

MOMMA

Today at the church when the time comes for the calling, you get up and dance and rejoice in the Lord, see you already have the spirit, now you have to act like it. See Sharon when you decide to act like you received the Holy Spirit and you know in your heart that you already have the Lord in your heart, the change will come forth.

SHARON

I will feel the Holy Spirit.

MOMMA

Listen to you, you are already full of the spirit, but you have to let the people know, just rejoice in the Lord and watch how people begin to treat you as long as you love yourself from the moment on, it will be like being born again. You are not ashamed of the Lord are you?

SHARON

No Momma!

MOMMA

Then today is the new beginning.

Then Momma touched her on the forehead and said.

MOMMA (CONT'D)

Lord please in the name of Jesus, free my girl from the demons that has taken control of her life. We love you Jesus!

Then she pushed Sharon by the forehead and she fell to the floor and seemed to be having seizures crying out to the Lord.

SHARON

Oh Lord please forgive me for my, oh Lord please forgive me for the shameful things I Have done against you Lord.

Sharon truly found the Lord that morning and she realized the act was for other people to see, but what was in heart heart, mind and soul was what really mattered, but she knew she had to put on an act at the church, because sometimes what people think matters also.

INT. INSIDE THE LOVE MINISTRIES CHURCH - SUNDAY-MORNING

Rev. Dr. Love gave a sermon about his ministry being married to the Lord and why the Lord did not die on a cross contrary to traditional Christian belief.

REV. DR. LOVE

~~I came across a Freemason the other day about these three ruffians (Thugs) he did not understand what I was saying, when I said they beat down a man who had a plan to build the temple (Of God)~~

(MORE)

REV. DR. LOVE (CONT'D)

~~and took it from him. I was talking about the so-called Christians, Muslims and Jews. One claimed he died so that they could live (Christians), another said, God would not create such a person and anyone who follows him should be put to death (Muslims) and still another claimed he never came (Jews). The common factor they all denied him and left him for dead. This is a well kept secret concerning the Journey of the Lord.~~

I stand before you all to let you know we at the Love Ministries are married to the Lord and is damn proud of it.

I want to read something to you "A woman is bound to her husband as long as he lives. But if her husband dies, she is free to marry anyone she wishes, but he must belong to the Lord."

Understand that had the Lord died, we all would have been free to remarry, but because the Lord did not die on the cross or hanged on a tree, we remain married to the Lord and any relations we got into with anyone claiming to be a substitute to the lord has to be annulled, like it never existed.

We are all married to our Lord and savor Jesus Christ and there is no shame in our game praise the Lord and rejoice in him, the Lord is the head of this household.

The whole church went to praising the Lord and everyone was amazed at how Sharon had finally found the Lord, many family members went into tears. There was plenty of praising, rejoicing, singing and dancing, it was a very inspirational moment. Meanwhile on the other side of town.

EXT. BLACK SUNDAY ALL OVER TOWN AND EVERY CORNER AND ON THE STREETS - CONTINUOUS

The street corner where crack is sold at the Thug Club:

Every Sunday around church hours the neighborhood crack dealers leadership committee would meet in a building called the Thug nightclub, they were of different

factions but they would meet to maintain the peace in the community. The place was heavily guarded with drug dealers hanging on the streets. The setup was there are 5 heads that sits around a table and they discuss things like the next shipment and how it would be distributed. There is one bartender and two men at the door with guns. They are all dressed in suits.

DRUG DEALER ONE

Let's get this meeting done with fast I have a hot date, everything seems to be going smooth.

DRUG DEALER TWO

I have no problems, we can just split the package as normal. Do any one have a complaint about our current arrangements.

DRUG DEALER FOUR

Come on man, we all get an equal split at 20%, we get to hire who we please it is all good, we have multiple distribution, dependent on no one man this is how it is supposed to be.

DRUG DEALER THREE

Well it is about that time gentlemen.

DRUG DEALER FIVE

Nigger what are you talking about Blood?

DRUG DEALER THREE

Satan time is up fool.

The two men at the door with guns, who worked for the organizer **drug dealer one** heard what he said.

DRUG DEALER ONE

If you plan to walk out of here alive you better explain yourself.

The doormen walk up to him with their guns out and said:

DOORMAN ONE

Just give us the word boss

DOORMAN TWO

What you say nigger?

DRUG DEALER THREE

I said in about 30 seconds Satan time will be up.

Drug dealer three than walks by the doormen and tells the bartender to buzz my men in. The bartender presses the door button and four men his workers walk in.

DRUG DEALER THREE (CONT'D)

Satan time is up!

The two doormen using silencers and shoots the other four drug dealers in the head they each got 3 shots to the head and they all being the 4 workers, drug dealer three, the 2 doormen and the bartender got down on the floor and outside three cars came driving through and in slow motion you see the three cars do a drive by shooting everyone in sight being all the drug dealers of the town.

DRUG DEALER THREE (CONT'D)

Let's finish the job.

They all pull out automatic revolvers and open the door and kill all of the survivors, there were two on the ground crying for help and three that was not hit trying to make a run for it. Like expert hit men they aimed and shot them dead. Then they made sure everyone was dead by shooting dead bodies in the head. Then a SUV came and picked them up.

Marlon waiting Picking Sharon up at Shotgun's house:

Marlon was listening to loud music, in the car alone smoking weed when a car with two people drove to the side of him. They greet Marlon to make sure he was the right person, they pull out a shotgun and shoot him in the head.

The crack spot:

Two cars roll up to the side of the crack spot, that was basically empty of customers but had a few watch out men

Two men drive up in a pickup truck and go to the back of the trucks bed and pull out two fire bombs and fire them into the crack house and it goes up in flames, they burned down the crack house made of wood and you see the guys inside catch fire and those who try to run out are shot dead.

The dirty old man's house:

A woman knocks on the door.

She say Hi daddy you going to let me in and when he opens the door she throws acid in his face, then goes into the house and takes him out of his misery. And she says never take advantage of God's sick children.

Jake leaving the white woman's house in Lake Wales:

As Jake is walking out of the house Sunday Morning two men are standing on the side of the building waiting for him.

FBI SPECIAL AGENT ONE

Jake Greene?

FBI SPECIAL AGENT TWO

Your are under arrest under the RICO Statute.

The white woman says I am sorry Jake but it was either me or you, I had turn you in I am sorry

JAKE

What did I do, what did I do, who are you bitch.

WHITE WOMAN

I am sorry Jake but I had to tell them everything.

JAKE

What the hell is going on I do not know this crazy bitch.

WHITE WOMAN

Now I am a bitch, a crazy bitch, if you did not know me why did you fuck me? Can I go now?

FBI SPECIAL AGENT ONE

That was the agreement, you give us the kingpin behind your operations and we turn our heads and let you go on your merry way, we got our package.

JAKE

Kingpin, I smoke that shit ask my friends, ask Sharon Johnson we smoke together.

FBI SPECIAL AGENT TWO

She said he was good, if I was you I would save it for the judge, read him his rights.

The word got around quickly in town about all of the events that took place and that Jake Greene was a kingpin on the down low in partnership with a white woman who went into witness protection and was unidentified and that one of the factions of the 5 factions that ran the town disappeared from the scene and there was no trace of them. They blamed Jake for the killings also, they claimed he knew what was about to go down and tried to cover his tracks.

EXT. AT THE FRONT OF BIG RAY'S HOUSE - MONDAY-MORNING

Aisha comes running to the main house crying with the newspaper in her hands on the front over it said Jake Greene the Mean Machine Busted with a picture of him

BIG RAY

I am sorry Aisha I heard about Jake
thank the Lord you did not get mixed
up with that mess.

AISHA

How could he do this to me?

RAYVON

Maybe now you will find someone right
for you, your are still young,
beautiful, educated and sister you
deserve better.

AISHA

Anyway I called in sick, I do not
feel very well at the moment, not
only was he selling drugs bumming
off of me, but he had a white girl
on the side, I was used. Maybe Maria
is not so bad, sometimes your worst
enemy is yourself or the person you
least suspect. I still have my
family. I need some time alone, I
am going to go home and just relax
and reflect, this is shocking to me.

RAYVON

You sure you are alright Aisha?

AISHA

Yes, I was about to give up on him anyway. But
it is crazy what happened yesterday with marlon
and the the gangs up the street. They called it
the Black Sunday

RAYVON

Like a dude once told me about the
drug dealer, when they sign their
contract with Satan it is written in
fine print, I can take this back
from you at anytime.

AISHA

I was such a fool!

RAYVON

No Aisha you just did not know and you was just trying to be nice, do not blame yourself for another person's folly.

AISHA

I will see you later!

Aisha walks off to her home and Rayvon turns his attention to Big Ray.

RAYVON

I have one more act of unfinished business to tend to and everything will be in place.

INT. SOMEWHERE IN LOS ANGELES, CA PLACE UNKNOWN - NIGHT

The white woman and the drug dealer number three and his four workers, the bartender and two hit men meet in a private office.

WHITE WOMAN

Well gentlemen it was fine doing business with you all and with this kind of money you'll can make a life for yourselves anywhere in the world. Hell it was small town in the middle of nowhere, it is like we were ghost.

DRUG DEALER THREE

Yea this was one smooth operation, nobody will ever tie it all together, you are an ingenious white women. I always wondered what was your name, but it is not important. It was good doing business with you also.

She hands each of them a briefcase with one million dollars each.

WHITE WOMAN

There is a million dollars in each briefcase you do not have to count it. Goodbye and good luck.

They all say goodbye and walk out of the office into rented cars.

INT. CIA HEADQUARTERS MCLEAN, VIRGINIA - AFTERNOON

Assistant Director Richards calls another closed door meeting with Secret Agent Parks and Special Agent Garret concerning the new developments that occurred on what became known as **Black Sunday**.

ASSISTANT DIRECTOR RICHARDS

Something went down that was well coordinated and probably has been going on before this operation started, but we cannot count out Rayvon. Advance Surveillance Investigations, INC. will contact Ms. Love and tell her the investigation is called off due to a Federal Government investigation into the matter of Black Sunday, because there are things that just cannot be made public.

SERCET AGENT PARKS

What about Rayvon and Maria, I am totally convinced he knows something, maybe more than we think and should be bought out of the dark. We need him but he has to know that he needs us also.

ASSISTANT DIRECTOR RICHARDS

I agree contact Maria to set up a meet, make sure the meeting is on Rayvon's terms. The whole operation has to be rethought out.

SPECIAL AGENT GARRET

What about Maria, what role will she play now?

ASSISTANT DIRECTOR RICHARDS

That is to be determined based on their relations. Just setup the meeting.

INT. SISTER PEACE HOME AT A COFFEE TABLE - AFTERNOON

Sister Peace and Momma drink coffee together on Saturdays regularly and gossip. The Agency knows this because they have been watching them and felt this would be an opportune time to contact the two to let them know the investigation is being taken over by the Federal Government. The phone rings it is Sister Peace cell phone which she gave them as a contact number. Sister Peace answers the phone after the third ring. She recognizes the caller ID.

SISTER PEACE

Hello this is Sister Peace and Love.

ADVANCE SURVIELLENCE INVESTIGATIONS,
INC.

Satan's Time is Up

SISTER PEACE

So now it is time to find out exactly what is going on?

ADVANCE SURVIELLENCE INVESTIGATIONS,
INC.

Actually Ms. Love depending on how you accept this information it could be considered good and bad. As you know there as an incident in your hometown called Black Sunday and the fact of the matter, one of the people you had under investigation got killed and another was arrested under the RICO Statute.

SISTER PEACE

You said RICO? Isn't that the Racketeering Influenced & Corrupt Organizations Act. Ain't that the Mafia?

ADVANCE SURVIELLENCE INVESTIGATIONS,
INC.

It could be they do not know or they are not telling us, but as you know we had these people under investigation and surveillance and the government basically said we cannot give you this information, now hear me out. Because of our policy we will refund you double the deposit of \$25G, but our information has been subpoenaed by the Federal Government. How and where would you like to receive your money.

SISTER PEACE

Give me back a cashiers check; me and Momma will come and pick it up as soon as possible.

ADVANCE SURVIELLENCE INVESTIGATIONS,
INC.

You can pick up up today.

SISTER PEACE

Hold on for a moment.

She turns her attention to Momma and says:

SISTER PEACE (CONT'D)

Momma you feel like taking a ride to
orlando? I will explain on the way.

MOMMA

Satan's time must be up!

SISTER PEACE

I will explain on the way, are you
ready to go?

MOMMA

I just have to use the bathroom first.

SISTER PEACE

Hello, we will be on our way in about
10 minutes and should be there before
3:00 O'clock or 3:30.

ADVANCE SURVIELLENCE INVESTIGATIONS,
INC.

Just go to the receptionist and tell
her your password and show her your
drivers license and your check will
be given to you. I am really sorry
about the developing events.

They both hang up

INT. AT THE TAMPA VA HOSPITAL PSYCHIATRIC WARD - AFTERNOON

Maria and Rayvon was setup to meet at the hospital as Rayvon
had an appointment to meet with a psychiatrist, who handles
these type of cases for the Agency.

RECEPTIONIST

Rayvon Johnson you can see the doctor
now.

DOCTOR JOHN LAWSON

Hi Mr. Johnson, I am Dr. Lawson, and
this must be your wife. Come into
my office.

They go into the office and it is just the three of them.

DOCTOR JOHN LAWSON (CONT'D)

This meeting will be monitored is that alright with
you. First of all your PTSD application has been
approved and you will be getting 100% Service
Connected Disability, for now I want you in my
office once a month that will eventually be reduced
to once every three months, is that OK with you.

RAYVON

No problem! Before I continue I have one request, Maria she is Puerto Rican, yet she is blacker than I am, the family that raised her was light and mistreated her. Why would they adopt her if they had a problem with her color. We want to know the connection. Who are Maria's real parents, she deserves to know this.

DOCTOR JOHN LAWSON

Just a moment.

He gets on the phone and gets the information.

DOCTOR JOHN LAWSON (CONT'D)

The complete report will come to you in certified mail, but the bottom line is Maria's mother is in fact Puerto Rican, she was 13 years old when she got pregnant by a black male who was 15 years old. Gloria the woman who raised her is her biological aunt on her mother's side, her mother; well that part you have to find out in the report. I wish you all the luck Maria, it is not all bad.

RAYVON

Well now you will find out just who you are Maria. One more thing, Maria as of this day works for me, I will report to you and she will report to me, I do not need a wife observer who works for the government. Yes I know more than you think. I know my dreams are not just fantasies.

DOCTOR JOHN LAWSON

Now we need to know one thing, because there is a full investigation going down concerning Black Sunday, was it you?

RAYVON

Wrong question! Was it you?

FADE OUT:
